FURTHER INVENTORY

Any references to photographs made below are references to the photographs in the schedule to this inventory. Items in red are new items on the written inventory photographs of which are in the Schedule to the Further Inventory.

The photographs in the Schedule form part of the Further Inventory only to the extent of identifying with further particularity the items which are listed below. Any item not listed below does not form part of the Further Inventory.

A's General Comments:-

1. All items in the Inventory below vest in A pursuant to s306 IA 86.
2. In respect of the majority of items the R's have failed to serve and file documentary evidence as to title and/or interests in the items listed. This is supporting in respect of items of significance such as vehicles as there must be, for example, insurance documents.
3. There have been material changes to the R's position on some items of significant value [see, for example, item 2 Montage of Beatles memorabilia]
4. For the avoidance of doubt, these general comments are not repeated in the column headed "Applicant's Comments" below.
5. **Note added 28 Aril 2015. The Applicant does not intend to pursue an Order in respect of the items highlighted in yellow.**
