DECISION

1. Service of a notice pursuant to Section 22 of the Landlord and Tenant Act 1987 is dispensed with.
2. It is just and reasonable to appoint a manager of Crompton Court, Shaw Street, Liverpool, Merseyside ('the Property') under s24 of the Landlord and tenant Act 1987 in terms of the Order attached to this Decision appointing Block Property Management Limited as manager of the Property for a period of three years from date of this order.

REASONS

BACKGROUND

1. The Tribunal received an application from the Applicant for an order dispensing with the need to serve a notice under s22 Landlord and Tenant Act 1987 and also an application for an order appointing a manager of the Property under the Landlord and Tenant Act 1987 Section 24(1)
2. The Applicants entered into leases dated 26 July 2006 for terms of 125 years (less 10 days) with Magnieus Ltd as Landlord and Crompton Court Shaw Street (Management Company) Ltd (the 'Management Company'). The Landlord's interest was acquired by Middleton Trading Ltd on 27 April 2011.
3. All of the leases follow the same form.
4. The Landlord is a dormant company, with its last annual return being filed on 3 December 2012.
5. The Management Company was dissolved on 25 August 2009.

THE PROPERTY

6. The Property is a two storey purpose built block of brick construction under a double pitched slate-covered roof built around 2006. The building comprises 14 flats, 7 to the ground floor, and 7 to the first floor, accessed by a steel staircase and walkway.
7. Access to all flats is from the rear of the site, fronting onto Haigh Street. The flats are reached through an archway with electrically operated security gates which lead into a car park and yard area. There are no communal gardens.

8. Upon inspection the Tribunal observed the exterior side of the Property which fronts onto Haigh Street to be in good, presentable condition. The electric security gates were in working order, however, the yard of the Property was observed to be severely littered with a substantial area of fly-tipping and other waste deposits. In addition the exterior walkway and staircase was observed to be suffering from a sustained lack of cleaning and maintenance. The communal meter cupboards exhibited signs of forced entry with broken locks throughout.
9. The Tribunal observed there to be no signs of active management of the Property.

THE LAW

10. The Applicants apply for an order pursuant to section 22(3) of the Landlord and tenant Act 1987 to dispense with the requirement to serve a notice under this section.
11. The grounds upon which the Applicants seek appointment of a manager is Section 24(2) of the Landlord and Tenant Act 1987:

'The appropriate tribunal may only make an order under this section in the following circumstances, namely:

(a) Where the tribunal is satisfied-

(i) That any relevant person either is in breach of any obligation owed by him to the tenant under his tenancy and relating to the management of the premises in question or any part of them or (in the case of an obligation dependent on notice) would be in breach of any such obligation but for the fact that it has not been reasonably practicable for the tenant to give the appropriate notice, and

(ii) ...

(iii) That it is just and convenient to make the order in all the circumstances of the case;"

THE DETERMINATION

9. This matter was determined by way of a paper determination in the absence of a request for a hearing by the Applicants and in the absence of any correspondence or response from the Respondent.
10. The Tribunal had the benefit of written representations, correspondence and photographs from the Applicants, and a witness statement from Mark Habib of Block Property Management, together with its own knowledge gleaned from the inspection. The Tribunal must determine the applications on the evidence which it has before it.

11. The Tribunal accept from the Companies House entries provided to them in the Applicants' bundle that it is not reasonably practicable to serve a notice on the Landlord or the Management Company given that they are dormant and dissolved respectively. The Tribunal notes that correspondence which was sent to the Landlord in 2013 was returned undelivered.
12. The Tribunal therefore determines that the requirement to serve a notice under s22(3) of the Landlord and Tenant Act 1987 should be dispensed with.
13. The Applicants rely upon breaches of clauses 8, 8.2, 8.3, 8.8, 8.9, 8.10 and 8.11 of the leases and assert that the obligations under these clauses (or indeed any services at all) have not been performed since 31 January 2011. In particular the Applicants assert that the walkway serving the Property is in a state of disrepair.
14. Further to its inspection and in the absence of any assertions to the contrary the Tribunal accepts all of these submissions and concludes that the neglect apparent in the maintenance and upkeep of the Property is entirely consistent with a suggestion of an absence of management for the last four years. The Tribunal therefore concludes that the obligations set out in the clauses referred to above have not been performed since 31 January 2011.
15. By reason of the Landlord and the Management Company being in breach of the obligations owed to the tenants under the lease, and also due to their dormant and dissolved status respectively, there is no prospect of either the Landlord or the Management Company performing the obligations in the lease. As a result the Tribunal concludes that it is just and convenient to make an order for the appointment of a manager. Having considered the terms of the draft order, and in the absence of any submission being put before it to the contrary, the Tribunal is satisfied for the appointment of manager to be on these terms.
