

## MERGER ANNOUNCEMENT - M/21/005

---

### Competition and Consumer Protection Commission clears proposed acquisition by Eircom Limited of sole control of Evros Technology Group.

19 February 2021

---

The Competition and Consumer Protection Commission has cleared the proposed transaction whereby Eircom Limited, a wholly-owned subsidiary of Eircom Holdings (Ireland) Limited, will acquire sole control of Hibernia Services Limited, the parent company of Evros Technology Group. The proposed transaction was notified under the Competition Act 2002, as amended, on 13 January 2021.

The Commission has formed the view that the proposed transaction will not substantially lessen competition in any market for goods or services in the State. The Commission will publish the reasons for its determination on its website no later than 60 working days after the date of the determination and after allowing the parties the opportunity to request that confidential information be removed from the published version.

#### **Additional Information**

Eircom Limited is a private limited company which provides fixed-line and mobile communications services in the State. Eircom Limited provides a range of voice, data, broadband and TV services to residential, small business, enterprise and public sector customers.

Evros Technology Group is an Irish-incorporated company, headquartered in Dublin. Evros Technology Group provides information technology managed services, offering support to its customers in the design, supply, implementation and support of their information technology infrastructure.
