NOTICE PARTY

(No. 3)

JUDGMENT of Humphreys J. delivered on Thursday the 14th day of July, 2022

1. In *Save Roscam Peninsula CLG v. An Bord Pleanála (No. 1)* [2022] IEHC 202, [2022] 4 JIC 0809 (Unreported, High Court, 8<sup>th</sup> April, 2022), I refused a declaration that the applicants were entitled to costs protection under s. 50B of the Planning and Development Act 2000 or the Environment (Miscellaneous Provisions) Act 2011, and adjourned the applicants' points relating to the interpretative application under the Aarhus Convention pending a proposed reference to the CJEU.
2. In *Save Roscam Peninsula CLG v. An Bord Pleanála (No. 2)* [2022] IEHC 328, [2022] 6 JIC 0903 (Unreported, High Court, 9<sup>th</sup> June, 2022), I granted leave to appeal under s. 50A(7) of the 2000 Act in relation to the issues under the 2011 Act on the question set out in the judgment. That does not affect the proposed reference, as matters stand.
3. I now deal with certain procedural matters prior to the formal order for reference.

**Consideration of *amici curiae***

4. Following the No. 1 judgment I gave the parties the option of proposing the addition of any *amici curiae* that might assist the formulation of the formal order for reference and that might assist the CJEU, but the parties did not propose the addition of any such *amici curiae* to the proceedings.

**Relevant legal materials**

5. In order to assist the CJEU and having received submissions from the parties, I set out a full list of the relevant EU, international and domestic legal material in the appendix to the judgment together with web links.

**Order for reference**

6. With those matters addressed, the order for reference will be dealt with in a separate judgment, but I need to set out directions now in order to ensure that papers are prepared appropriately.

**Order**

7. The order will be as follows:

(a). I will direct that the applicants lodge the following documents with the List Registrar in an electronic form having agreed the contents with the other parties, by Friday 22<sup>nd</sup> July, 2022, for transmission to the CJEU by the Principal Registrar:

(i). a contents page in electronic form of the documents submitted; and

(ii). a PDF containing all pleadings. If this PDF exceeds 30MB, it is to be split into separate PDFs each of which should not individually exceed 30MB. The PDF(s) should include among other pleadings and papers:

A. a scanned copy of the signed approved version of all judgments; however the version to be included of the present judgment should be a scan of the signed copy of the substantive part of the judgment together with an electronic version of the appendix which preserves the clickable links); and

B. a scanned version of the order for reference;

(b). I will adjourn the hearing of the balance of the matter pending the decision of the CJEU; and

(c). the matter will be listed for mention on Monday 25<sup>th</sup> July, 2022 to confirm compliance with the foregoing.
