PUBLIC SERVICE PAY AND PENSIONS ACT 2017

An Act, in the public interest, to provide for—

- (A) a further restoration, that is a restoration further to that provided in consequence of legislation enacted in 2015, of the remuneration of certain persons in the public service that had been the subject of a reduction effected by legislation enacted in 2009, 2011 or 2013, and for that purpose to repeal or amend certain of the foregoing legislation;
- (B) an increase in the amount of pension or other benefits, other than lump sums, (being the amount of pension or other benefits at the level at which they stand fixed, before the passing of this Act, in consequence of legislation enacted in 2010, 2013 or 2015) payable to or in respect of certain persons who were in the public service under an occupational pension scheme or arrangement (by whatever name called) and for that purpose to amend certain of the foregoing legislation;
- (C) the repeal of the Financial Emergency Measures in the Public Interest Act 2009;
- (D) the payment of an additional superannuation contribution by certain persons in the public service who are members of a public service pension scheme;
- (E) the regulation of certain fees and other payments in respect of services rendered to or on behalf of the State;

and to provide for related matters.

[16th December, 2017]

WHEREAS the economic recovery has progressed to a level that the economy is now more balanced than heretofore, with a considerable improvement in the State's international competitiveness and fiscal position being witnessed (and this recital and those following it relate to *Parts 2 and 3 and 5 to 7* of this Act):

AND WHEREAS the economy remains vulnerable, in significant respects, due to various factors, including, domestically, from high levels of public and private debt and, internationally, by reason of the process initiated by the United Kingdom to withdraw

from membership of the European Union and the uncertainty associated with the risk of protectionist trade and taxation policies:

AND WHEREAS reductions in the remuneration and superannuation of public servants and former public servants effected by legislation enacted in the last 8 years have materially contributed to the stabilisation of the public finances:

AND WHEREAS there is an obligation on the part of the State to have a prudent fiscal policy under the Stability and Growth Pact and the Fiscal Compact and the repeal of the foregoing legislation in one Budget year would not be sustainable in financial terms but its repeal, in a phased manner, over a number of years would be so sustainable:

Be it therefore enacted by the Oireachtas as follows:

PART 1

Short title and commencement

1. (1) This Act may be cited as the Public Service Pay and Pensions Act 2017.

(1) Where the operation of *section 7, 8, 10, 12, 13 or 15* results in the basic salary of a public servant to whom the particular section applies being higher than the basic salary applicable to the next immediate point, or (if such is the case) any higher point, on the pay scale that applies to the public servant, the Minister may, having taken into account all of the circumstances that relate to the existence of the differential between the points on that scale—
- (a) by direction, increase the basic salary applicable to, as the case may be—
 - (i) that next immediate point, or
 - (ii) that higher point, and, if appropriate, one or more of the points below that point,on that scale to such extent as the Minister thinks fit so as to maintain an equitable differential between the points on that scale, or
 - (b) determine that in respect of certain categories of public servant to whom that scale applies, the basic salary to be paid, for the time being, to those public servants shall, to such extent as the Minister thinks fit so as to maintain an equitable differential between the various salaries payable to the several public servants to whom that scale applies, be greater or less than an amount provided by a particular point on that scale.
- (2) In the case of a public servant who is an employee or officer of the Central Bank of Ireland, a reference in *subsection (1)* to the “Minister” shall be construed as a reference to the “Central Bank Commission”.

Interaction between certain provision of section 6C of No. 2 Act of 2009 and preceding provisions

17. (1) This section is without prejudice to the generality of the provisions of *Chapter 2 or 3* and the respects in which those provisions operate to effect a cumulative increase in the annualised amount of the basic salary of a public servant.
- (2) In a case in which the particular public servant is a public servant to whom section 6C(2)(b) of the No. 2 Act of 2009 applies, the operation, on 1 January 2018, of that section 6C(2)(b) shall be taken account of, and the necessary computation of the annual remuneration of that public servant by virtue of that provision made, before the operation, required by *section 7(1)(a)*, is performed of applying, on the foregoing date, the percentage increase specified in *section 7(1)(a)* to that public servant’s basic salary.

Provision regarding operation of section 6C(3) of No. 2 Act of 2009

18. (1) Notwithstanding anything in *Chapter 2* or *3*, for the purposes of the operation of any provision of either Chapter in relation to a public servant to whom section 6C(3) of the No. 2 Act of 2009 applies, every one of the restorations of the amounts of the annual remuneration provided for in that section 6C(3) shall be deemed to have taken effect—
- (a) in the case of a provision of *Chapter 2*, before 1 January 2018, and
 - (b) in the case of a provision of *Chapter 3*, before 1 October 2018,
- and with the effect that it is by reference to the notional amount of the annual remuneration which that public servant, by virtue of such deeming, enjoys (the “notional annual remuneration”) - rather than the actual annualised amount of his or her basic salary at the particular time - that the computation of the percentage increase specified in *section 7* or *12*, as the case may be, is to be made.
- (2) In particular, *subsection (1)*, as it applies to *section 7*, has effect so that the operation, required by *section 7(1)(b)*, of applying, on 1 October 2018, the percentage increase specified in *section 7(1)(b)* is performed by reference to the amount of the notional annual remuneration as that remuneration stands increased by the percentage specified in *section 7(1)(a)*.

CHAPTER 5

19. (1) In this section, references to—

- (5) The date specified in an order under *subsection (4)* with respect to—
- (a) the matter referred to in that subsection as it relates to a covered public servant, shall be a date that falls after 1 October 2020 but does not fall later than 1 July 2022, and
 - (b) the matter referred to in that subsection as it relates to a non-covered public servant, shall be a date that falls after 1 July 2021 but does not fall later than 1 July 2022.

- (4) For the avoidance of doubt, *subsection (1)* has effect in relation to a pay scale that, in consequence of a public servant's appointment or promotion to a position after 1 January 2018 (but before 1 January 2021), falls to be applied subsequent to 1 January 2018 as it has effect in relation to a pay scale that applies to a public servant on 1 January 2018, but with the substitution in that subsection for the reference to 1 January 2018 (where it secondly occurs) of a reference to the date of such appointment or promotion of the public servant.

- (5) References in this section—
- (a) to an increment that may be awarded to a public servant are references to an increment, provided for in the applicable pay scale, that may be awarded to the public servant subject to there being satisfied the one or more conditions that are required by the pay scale, or a written statement governing its operation, to be satisfied before an award of such an increment may be made, and
 - (b) to a point on a pay scale,
- shall be construed accordingly.

28. (1) In this Part—

“certified pension scheme” means a scheme or arrangement referred to in *paragraph (c) of the definition of “public service pension scheme”*;

“core member” means a Core scheme Member, as that term is defined in the rules of the North/South Pension Scheme, who pays contributions under that scheme at the rate agreed between the Minister, the Minister of Finance for Northern Ireland and the North/South Ministerial Council;

“defined contribution scheme” has the same meaning as it has in the Pensions Act 1990;

“fast accrual pension scheme” means a pre-existing public service pension scheme or certified pension scheme in accordance with the terms of which a member qualifies for the maximum pension benefit to which the member is entitled under the scheme on completion by that member of less than 40 years of service;

“NILGOSC member” means a public servant—

- (a) who is a “Reserved Rights scheme Member”, as that term is defined in Rule A10 of the North/South Pension Scheme, and
- (b) to whom the terms of the scheme constituted by the Local Government Pension Scheme Regulations (Northern Ireland) 2000, the Local Government Pension Scheme (Amendment No. 2 and Transitional Provisions) Regulations (Northern

Ireland) 2002 and the Local Government Pension Scheme Regulations (Northern Ireland) 2002 applied on 28 April 2005;

“North/South Pension Scheme” means the superannuation scheme established pursuant to paragraph 3.2 of Part 7 of Annex 2 to the Agreement between the Government of Ireland and the Government of the United Kingdom of Great Britain and Northern Ireland Establishing Implementation Bodies done at Dublin on the 8th day of March 1999;

“pre-existing public service pension scheme” has the same meaning as it has in section 5 of the Public Service Pensions (Single Scheme and Other Provisions) Act 2012;

“public servant” has the same meaning as it has in the Act of 2009, subject to the modification that a President holding office at any time following the cessation (whether as a result of the expiration by effluxion of time or as a result of any of the circumstances described in Article 12.3.1^o of the Constitution) of the term of office of the President holding office on the date of passing of this Act shall be a public servant;

REGULATION OF FEES AND OTHER PAYMENTS

Regulation of fees and other payments

42. (1) A Minister of the Government may, with the consent of the Minister, by regulation, set or vary, whether by formula or otherwise, the amount or the rate of payment to be made to persons or classes of persons (in this section referred to as “service providers”), in respect of a service that the service providers render—
- (a) to or on behalf of that Minister of the Government or a public service body under the aegis of that Minister, and
 - (b) under or in accordance with any contract, arrangement, understanding, circular, instrument or other document or other enactment.
- (2) For the purposes of this Act, any service rendered to the State that is not rendered to or on behalf of a Minister of the Government or a public service body under the aegis of such a Minister is to be taken to be rendered to the Minister.
- (3) The Minister may exercise the powers conferred by *subsection (1)* in relation to the service providers rendering the services referred to in *subsection (2)*.
- (4) Where the Minister of the Government by whom regulations are to be made under *subsection (1)* is the Minister, the reference in *subsection (1)* to obtaining the consent of the Minister is to be disregarded.

- (5) *Subsection (1)* shall apply to the services rendered from the date of the regulation, notwithstanding that the service provider concerned may have commenced the rendering of the service prior to the date of the regulation.
- (6) A regulation made under *subsection (1)* shall not apply to a contract unless the contract provides that the amount or rate of payment under the contract may be set or varied by the Minister of the Government concerned or by means of a regulation.
- (7) A regulation made under *subsection (1)* may fix different amounts or rates for different services, and as and from the date of the regulation, there shall be no entitlement to payment in excess of the amounts and rates so specified, although nothing in this section shall prevent service providers from providing a service for a lesser amount or at a lower rate.
- (8) A regulation made under *subsection (1)* may contain such incidental, supplementary and consequential provisions as appear to the Minister of the Government concerned to be necessary or expedient for the purposes of the regulations.
- (9) Prior to making a regulation under *subsection (1)*, the Minister of the Government concerned, or, at that Minister's direction, the public service body concerned, shall engage in such consultations as that Minister considers appropriate.
- (10) A regulation made under *subsection (1)* shall fix amounts or rates that the Minister of the Government concerned considers to be fair and reasonable, having regard to the matters which that Minister considers appropriate, including any or all of the following:
 - (a) the terms of any existing contractual arrangements or understandings with the service provider concerned;
 - (b) the terms of any circular, instrument, or document which apply to the service providers concerned;
 - (c) any submissions made and views expressed during the consultations under *subsection (9)*;
 - (d) the nature of the services rendered by different classes of service providers and the general nature of expenses and commitments of the service providers providing those services;
 - (e) the obligation on the part of the State to have a prudent fiscal policy under the Stability and Growth Pact and the Fiscal Compact.
- (11) The powers conferred on or exercised by a Minister of the Government under this section shall not affect any existing right to negotiate or amend rates or contracts generally which that Minister or the public service body concerned enjoys apart from this section, and those rights may be exercised in conjunction with, in addition to or instead of the powers conferred by this section.
- (12) Consultations under *subsection (9)* shall be completed no later than 30 days after the Minister of the Government concerned gives notice of the commencement of the consultations.

- (13) A Minister of the Government may define the manner in which consultations under *subsection (9)* are to be conducted and conduct them in such manner, and with such representatives of service providers or otherwise, as he or she considers appropriate, and nothing in the Competition Act 2002 shall prevent participation by that Minister or any such representative in such consultations, or the communication and discussion of the outcome of such consultations by the representatives with the service providers they represent.
- (14) A Minister of the Government may from time to time and shall, before 30 June in 2020 and every third year after 2020, carry out a review of the operation, effectiveness and impact of the amounts and rates fixed by regulation made by that Minister under this section and consider the appropriateness of those amounts and rates, having regard to any change of circumstances and in particular any alteration of any of the matters mentioned in *subsection (10)*.
- (15) In this section, payment in respect of a service rendered by a service provider includes payment in respect of goods provided by that service provider as part of the service.
