### 7. Comments (optional)

The complaint shows that the Complainant is the exclusive distributor for Kopiko coffee products in the UK. The Respondent is using the Domain name to represent falsely that it is the UK distributor of such products. It is accordingly passing itself off as the authorised UK distributor. The registration of the Domain name is therefore an Abusive Registration and should be transferred to the Complainant.

### 8. Decision

I direct that this registration is transferred to the Complainant.
