Yes

6. Other Factors

I am satisfied that no other factors apply which would make a summary decision unconscionable in all the circumstances

Yes

7. Comments (optional)

I considered whether it was appropriate to direct transfer of a "Ford" domain name to anyone other than Ford, but decided in light of the Complainant's proprietorship of <hendy-ford.co.uk> that it would be unlikely to represent a problem.

I have read DRS 16593. I have considered whether this should be regarded as a re-filed case and decided not.

8. Decision

I grant the Complainant's application for a summary decision. In accordance with paragraph 5f of the Procedure, the domain name will therefore be transferred to the Complainant.
