#### **7. Comments (optional)**

I have made my decision based on the complaint and the DRS Policy (see paragraph 18.1 of the Policy). In this respect:

- On 30 January 2017 the Complainant submitted an explanatory paragraph in support of a non-standard submission under paragraph 17 of the DRS Policy. I do not consider having regard to this paragraph that there is an exceptional need for the non-standard submission and have therefore not requested to see it.
- On 15 February 2017 I was phoned by the Respondent. I informed him that he must not communicate with me direct and that all communication must be made through Nominet. On the same day the Respondent contacted Nominet. On 16 February 2017 the Respondent was informed by Nominet of the process to submit a non-standard submission under paragraph 17 of the DRS Policy, including the requirement for an explanation of why there is an exceptional need for the submission. By the date of this decision (some days later) the Respondent has not submitted an explanatory paragraph.

#### **8. Decision**

I grant the Complainant's application for a summary decision. In accordance with section 12 of the Policy, the domain name will therefore be transferred to the Complainant.
