Appeal Number: AA/08873/2012

THE IMMIGRATION ACTS

**Field House

**Determination Sent

Before

UPPER TRIBUNAL JUDGE JORDAN

Between

Yulia Ningsih

Appellant

and

The Secretary Of State For The Home Department

Respondent

DETERMINATION AND REASONS

1. In my letter to the parties of 16 August 2013, I stated that the First-tier Tribunal's decision that the appellant's removal to Indonesia would not violate the appellant's rights and, to that extent, the appeal must fail.
2. In the letter I gave my explicit view that a determination in these terms did not, without more, sanction the appellant's removal to Iran.
3. I proposed to determine the appeal in the following terms unless I received a proposal to the contrary within 14 days:

The First-tier Tribunal did not err: its decision was properly motivated and made it clear that removal to Indonesia was lawful. The Upper Tribunal would emphasise that there has been no decision that

removal to Iran would be lawful, and would not regard the Tribunal's decision as justifying the Secretary of State in removing the appellant to Iran.

4. There has been no response to my proposal.

DECISION

The Judge made no error on a point of law and the original determination of the appeal shall stand.

ANDREW JORDAN
JUDGE OF THE UPPER TRIBUNAL
