REASONS FOR FINDING AN ERROR OF LAW

By consent

1. The appeal is remitted to the First-tier Tribunal for a *de novo* hearing pursuant to the consent order of the Court of Appeal made on 29 December 2014.
2. The appeal before the First-tier Tribunal is to be conducted by considering evidence which includes the SERCO assessment G2 to G8 of the bundle before the Upper Tribunal.
3. The appellant is permitted to adduce evidence in relation to the classification of individuals processed by SERCO.

4. For the avoidance of doubt the remittal to the First-tier Tribunal is on the basis that the decision of the First-tier Tribunal Judge Warren Grant contained a material error of law, the reasons for which are not otherwise identified in the order of the Court of Appeal.
