Claimant: Mr L C Glyde

Respondent: Dorset and Wiltshire Fire and Rescue Services and others

REFUSAL OF R APPLICATION FOR RECONSIDERATION

1. The Claimants application for a reconsideration of the Judgment of EJ Rayner dated 19 May 2020 is refused.
2. There is no reasonable prospect of the original judgment being varied.
3. The claimants primary concern is in respect of his claim of discrimination on grounds of a perceived disability. That claim is not dealt with by the judgment of 19 May 2020 and survives the judgment as has been explained to the claimant at a subsequent case management hearing.
