

# EMPLOYMENT TRIBUNALS

**Claimant:** Mrs L Clay

**Respondent:** Open Law

## JUDGMENT

The claim of unfair dismissal is struck out.

## REASONS

1. The claimant was advised that with less than 2 years' service the Tribunal has no jurisdiction to hear a complaint of ordinary unfair dismissal. The claimant has responded and does not dispute this.
2. The claimant's complaints of disability discrimination and breach of contract are continuing. The preliminary hearing on 16 October remains as listed.
