JUDGMENT

It is the judgment of the Tribunal that:-

- (1) The Respondent's application to strike out the Claimant's claims against it is dismissed. The Tribunal is not satisfied that either the claim for unfair dismissal or the claim for unlawful deduction from wages against the Respondent have no reasonable prospect of success.
- (2) A separate Case Management Order sets out the steps that the parties are required to take to prepare this matter for a final hearing.

The reasons for this decision were given orally at the hearing. Written reasons will not be provided unless they are asked for by a written request presented by any party within 14 days of this written judgment being sent to the parties.
