

EMPLOYMENT TRIBUNALS

Claimant: Mr F Taylor

Respondent: Moo Media Limited

JUDGMENT

The claims are struck out.

REASONS

1. By a letter dated 10 October 2022 the Tribunal gave the claimant or his personal representatives (as the tribunal has not been able to ascertain the claimant's circumstances) to confirm if these claims are being pursued. No communication from the claimant has been received since.
2. The tribunal's letter was unreturned as undelivered, and the email has not been replied to. In the circumstances it appears the claims are not being pursued, and are struck out.
