

# EMPLOYMENT TRIBUNALS

**Claimant:** Mr C Mortin

**Respondent:** Manchester Electroplating Ltd

## JUDGMENT

The claim is struck out.

## REASONS

1. By numerous correspondence from various Employment Judges and most recently by Judge McDonald dated 14 November 2024 the Tribunal gave the claimant an opportunity to make representations or to request a hearing, as to why the claim should not be struck out because it has not been actively pursued.
2. It is no longer possible to have a fair hearing of the claim because the claimant has disengaged from these proceedings.
3. The claimant has failed to make representations in writing, or has failed to make any sufficient representations, why this should not be done or to request a hearing. The claim is therefore struck out.
