

EMPLOYMENT TRIBUNALS

Claimant: Mrs M Asghar

Respondent: Integrated Care 24

JUDGMENT

The claimant's application dated **30 April 2024** for reconsideration of the decision regarding Webex messages given at the Preliminary hearing on 18 April 2024 is refused.

REASONS

There is no reasonable prospect of the original decision being varied or revoked, because:

Employment Judge Hutchings is satisfied that the issue regarding the Webex messages was addressed by the Respondent's witness, under oath, at the hearing on 18 April 2024, and that the Tribunal has addressed the Claimant's position regarding Webex messages in a fair manner and in a way proportionate to the issues in this case. The points raised by the claimant in her email to the Tribunal dated 30 April 2024 don't change this position.

Employment Judge Hutchings notes the request dated 30 April 2024 came before her on 15 May 2024.
