PROPERTY CHAMBER
(RESIDENTIAL PROPERTY)**

Case Reference : LON/00AY/LDC/2018/0089

Property : 66 Bonham Road, Brixton, London SW2 5HG

Applicant : Southern Land Securities c/o Together Property Management Ltd

Respondent : The leaseholders

Type of Application : Dispensation from consultation requirements under Landlord and Tenant Act 1985 section 20ZA

Tribunal Members : Judge Professor R Percival
Mr J Barlow JP FRICS

Venue of Deliberations : 10 Alfred Place, London WC1E 7LR

Date of Decision : 18 June 2018

DECISION

Decisions of the tribunal

- (1) The Tribunal pursuant to section 20ZA of the Landlord and Tenant Act 1985 ("the 1985 Act") grants dispensation from the consultation requirements in respect of the works the subject of the application.

Procedural

1. The applicant landlord applies for a dispensation from the consultation requirements in section 20 of the Landlord and Tenant Act 1985 and the regulations thereunder in respect of storm damage to the roof of the property. The application was allocated to the paper track.
2. The Tribunal gave directions on 17 May 2018, which provided for a form to be distributed to the tenants to allow them to object to or agree with the application, and, if objecting, to provide such further material as they sought to rely on. The deadline for return of the forms was 8 June 2018. No forms have been received.

The property and the works

3. The property is a 1930s brick built terraced house, converted into four flats over three floors.
4. The application relates to the repair of damage to the roof of the property, apparently caused by a storm in January 2018. The building insurance provider repudiated the claim on the basis that it was caused by the deterioration of the mortar in which the coping stones was set, and the damage was therefore a consequence of wear and tear.
5. The works are described in the application as involving the erection of scaffolding, removing and replacing slipped and defective coping stones, replacing damaged slates and renewing lead work. The cost is given as £1,420.
6. The applicant states that the repairs were urgent, as the damage had resulted in water ingress into one of the flats. The works have accordingly been undertaken.

Determination

7. We allow the application. In the first place, it appears that the works were, indeed, urgent, given the water ingress into the affected flat.
8. Secondly, no objections have been received. Accordingly, no lessee has sought to demonstrate that they would suffer any prejudice as a result

of us granting dispensation. As a result, we must allow the application:
Daejan Investments Ltd v Benson and others [2013] UKSC 14; [2013] 1
WLR 854.

9. This application relates solely to the granting of dispensation from undertaking the consultation process otherwise required by section 20 of the 1985 Act. If the lessees consider the cost of the works to be excessive or if the quality of the workmanship poor, or if costs sought to be recovered through the service charge are otherwise not reasonably incurred, then it is open to them to apply to the Tribunal for a determination of those issues under section 27A of the 1985 Act.
