

Freedom of Information Act 2000 (FOIA)

Decision notice

Date: 13 October 2020

Public Authority: Cabinet Office

Address: 70 Whitehall

London

SW1A 2AS

Decision (including any steps ordered)

1. The complainant requested information from the Cabinet Office about a specified complaint. By the date of this notice the Cabinet Office had not issued a substantive response to this request.
2. The Commissioner's decision is that the Cabinet Office has breached section 10(1) of the FOIA in that it failed to provide a valid response to the request within the statutory time frame of 20 working days.
3. The Commissioner requires the Cabinet Office to take the following step to ensure compliance with the legislation.
 - The Cabinet Office must provide a substantive response to the request in accordance with its obligations under the FOIA.
4. The Cabinet Office must take this step within 35 calendar days of the date of this decision notice. Failure to comply may result in the Commissioner making written certification of this fact to the High Court pursuant to section 54 of the Act and may be dealt with as a contempt of court.

Request and response

5. On 3 July 2020, the complainant wrote to the Cabinet Office and requested information in the following terms:

"Could you please send me by email a copy of the review that was carried out with regards to [information redacted] against Chief Adviser Dominic Cummings."

6. By the date of this notice the Cabinet Office had not issued a substantive response to this request.

Scope of the case

7. The complainant contacted the Commissioner on 17 August 2020 to complain about the Cabinet Office's failure to respond to their request.
8. The Commissioner has considered whether the Cabinet Office has complied with its obligations in relation to the time for compliance at section 10(1) of the FOIA.

Reasons for decision

9. Section 1(1) of the FOIA states that:

"Any person making a request for information to a public authority is entitled –

(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and

(b) if that is the case, to have that information communicated to him."

10. Section 10(1) of the FOIA states that a public authority must respond to a request promptly and *"not later than the twentieth working day following the date of receipt"*.
11. On 2 September 2020 the Commissioner wrote to the Cabinet Office, reminding it of its responsibilities and asking it to provide a substantive response to the complainant's request within 10 working days.
12. Despite this intervention the Cabinet Office has failed to respond to the complainant.

13. From the evidence provided to the Commissioner in this case, it is clear that the Cabinet Office did not deal with the request for information in accordance with the FOIA. The Commissioner finds that the Cabinet Office has breached section 10(1) by failing to respond to the request within 20 working days and it is now required to respond to the request in accordance with the FOIA.
