

Freedom of Information Act 2000 (FOIA)

Decision notice

Date: 6 January 2021

Public Authority: London Borough of Ealing
Address: Town Hall
London
W5 2BY

Decision (including any steps ordered)

1. The complainant requested information from the London Borough of Ealing (the Council) about the registrants of domain names used by the Council. By the date of this notice the Council had not provided a substantive response to this request.
2. The Commissioner's decision is that the Council failed to respond to the request within 20 working days and has therefore breached section 10 of the FOIA.
3. The Commissioner requires the Council to take the following steps to ensure compliance with the legislation.
 - Issue a substantive response, under the FOIA, to the request.
4. The Council must take these steps within 35 calendar days of the date of this decision notice. Failure to comply may result in the Commissioner making written certification of this fact to the High Court pursuant to section 54 of the FOIA and may be dealt with as a contempt of court.

Request and response

5. On 5 September 2020, the complainant wrote to the Council and requested information in the following terms:

"Ealing Council publishes information by email and website using the following domain names:

+ ealingcouncil.net

+ ealingnewsextra.co.uk

Under the Freedom of Information (FOI) Act 2000, please identify the registrant(s) of these two domain names as of 2020-09-05.

As an example, the registrant of 'ealing.gov.uk' is the 'UK Cabinet Office'.

I note that ealingcouncil.net was last updated on 2019-07-03 and ealingnewsextra.co.uk on 2020-05-24."

6. The Council acknowledged the request on 7 September 2020 but had failed to provide a substantive response by the date of this notice.

Scope of the case

7. The complainant contacted the Commissioner on 11 November 2020 to complain about the failure, by the Council, to respond to the request.
8. In line with her usual practice, the Commissioner contacted the Council on 8 December 2020 to highlight the outstanding response. She requested that the Council respond to the request within 10 working days. The correspondence was neither acknowledged nor responded to.
9. The scope of this notice and the following analysis is to consider whether the Council has complied with section 10 of the FOIA.

Reasons for decision

10. Section 1(1) of the FOIA states that:

Any person making a request for information to a public authority is entitled –

- (a) *to be informed in writing by the public authority whether it holds information of the description specified in the request, and*
- (b) *if that is the case, to have that information communicated to him.*

11. Section 8(1) of the FOIA states:

In this Act any reference to a "request for information" is a reference to such a request which –

- (a) *is in writing,*
- (b) *states the name of the applicant and an address for correspondence, and*
- (c) *describes the information requested.*

12. The Commissioner considers that the request in question fulfilled these criteria and therefore constituted a valid request for recorded information under the FOIA.

13. Section 10 of the FOIA states that responses to requests made under the Act must be provided "*promptly and in any event not later than the twentieth working day following the date of receipt.*"

14. From the evidence presented to the Commissioner in this case, it is clear that, in failing to issue a response to the request within 20 working days, the Council has breached section 10 of the FOIA.
