

Freedom of Information Act 2000 (FOIA)

Decision notice

Date: 23 April 2021

Public Authority: The Governing Body of St. Mary's University
Address: Waldegrave Road
Strawberry Hill
Twickenham
TW1 4SX

Decision (including any steps ordered)

1. The complainant requested all coronavirus risk assessments from the Governing Body of St. Mary's University (the University) as well as the date that staff were instructed to work from home by the University. The University had failed to provide a substantive response by the date of this notice.
2. The Commissioner's decision is that the University failed to respond to the request within 20 working days and has therefore breached section 10 of the FOIA.
3. The Commissioner requires the University to take the following steps to ensure compliance with the legislation.
 - Issue a substantive response, in accordance with its obligations under the FOIA, to the request.
4. The University must take these steps within 35 calendar days of the date of this decision notice. Failure to comply may result in the Commissioner making written certification of this fact to the High Court pursuant to section 54 of the FOIA and may be dealt with as a contempt of court.

Request and response

5. On 3 January 2021, the complainant wrote to the University and requested information in the following terms:

"Dear St Mary's University, Twickenham,

Please publish all coronavirus risk assessments?

And publish what date St Mary's University instructed staff & lecturers to work from home."

6. The University had failed to provide a substantive response by the date of this notice.

Scope of the case

7. The complainant contacted the Commissioner on 9 March 2021 to complain about the failure, by the University, to respond to the request.
8. In line with her usual practice, the Commissioner contacted the University on 26 March 2021 to highlight the outstanding response. She requested that the University respond to the request within 10 working days. The correspondence was neither acknowledged nor responded to.
9. The scope of this notice and the following analysis is to consider whether the University has complied with section 10 of the FOIA.

Reasons for decision

10. Section 1(1) of the FOIA states that:

Any person making a request for information to a public authority is entitled –

- (a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and*
- (b) if that is the case, to have that information communicated to him.*

11. Section 8(1) of the FOIA states:

In this Act any reference to a "request for information" is a reference to such a request which –

- (a) *is in writing,*
 - (b) *states the name of the applicant and an address for correspondence, and*
 - (c) *describes the information requested.*
12. The Commissioner considers that the request in question fulfilled these criteria and therefore constituted a valid request for recorded information under the FOIA.
13. Section 10 of the FOIA states that responses to requests made under the Act must be provided "*promptly and in any event not later than the twentieth working day following the date of receipt.*"
14. From the evidence presented to the Commissioner in this case, it is clear that, in failing to issue a response to the request within 20 working days, the University has breached section 10 of the FOIA.

Other matters

15. The Commissioner wishes to place on record her understanding of the immense pressures placed on public authorities during the coronavirus pandemic. She is sympathetic to the difficult decisions such authorities must make, between prioritising front-line services and continuing to meet their obligations under the FOIA.
