Decision (including any steps ordered)

1. The complainant requested information relating to a specific address and reports received by Operation Crackdown. By the date of this notice Sussex Police had not issued a substantive response to this request.
2. The Commissioner's decision is that Sussex Police has breached section 10(1) of FOIA in that it failed to provide a valid response to the request within the statutory time frame of 20 working days.
3. The Commissioner requires Sussex Police to take the following step to ensure compliance with the legislation.
 - Sussex Police must provide a substantive response to the request in accordance with its obligations under FOIA.
4. Sussex Police must take this step within 35 calendar days of the date of this decision notice. Failure to comply may result in the Commissioner making written certification of this fact to the High Court pursuant to section 54 of FOIA and may be dealt with as a contempt of court.

Request and response

5. On 26 April 2022, the complainant wrote to Sussex Police and requested information in the following terms:

“Following a letter I received from Operation Crackdown, I would like to make a Freedom of Information Act request. I would like to know how many vehicles have been reported to Operation Crackdown to whose 'offences' have 'happened' down 'Frenches Farm Drive, Heathfield, TN21 8BQ and surrounding 'drives' such as 'Rowan Close' and 'Alder close". Further to this report how many reports to Operation Crackdown have been made within Heathfield.”

6. Sussex Police acknowledged the request on 27 April 2022. To date, a substantive response has not been issued.

Scope of the case

7. The complainant contacted the Commissioner on 31 July 2022 to complain about Sussex Police’s failure to respond to their request.
8. The Commissioner has considered whether Sussex Police has complied with its obligations in relation to the time for compliance at section 10(1) of FOIA.

Reasons for decision

9. Section 1(1) of FOIA states that:

“Any person making a request for information to a public authority is entitled –

(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and

(b) if that is the case, to have that information communicated to him.”

10. Section 10(1) of FOIA states that a public authority must respond to a request promptly and “not later than the twentieth working day following the date of receipt”.

11. On 4 August 2022 the Commissioner wrote to Sussex Police, reminding it of its responsibilities and asking it to provide a substantive response to the complainant's request within 10 working days.
12. Despite this intervention Sussex Police has failed to respond to the complainant.
13. From the evidence provided to the Commissioner in this case, it is clear that Sussex Police did not deal with the request for information in accordance with FOIA. The Commissioner finds that Sussex Police has breached section 10(1) by failing to respond to the request within 20 working days and it is now required to respond to the request in accordance with FOIA.
