

Freedom of Information Act 2000 (FOIA)

Decision notice

Date: 4 January 2022

Public Authority: Barts Health NHS Trust
Address: 9 Prescott Street
London
E1 8PR

Decision (including any steps ordered)

1. The complainant requested information from Barts Health NHS Trust ("the Trust") about its correspondence with the Spectrum 10K research project. By the date of this notice the Trust had not issued a substantive response to this request.
2. The Commissioner's decision is that the Trust has breached section 10 of the FOIA in that it failed to provide a valid response to the request within the statutory time frame of 20 working days.
3. The Commissioner requires the Trust to take the following step to ensure compliance with the legislation.
 - The Trust must provide a substantive response to the request in accordance with its obligations under the FOIA.
4. The Trust must take this step within 35 calendar days of the date of this decision notice. Failure to comply may result in the Commissioner making written certification of this fact to the High Court pursuant to section 54 of the Act and may be dealt with as a contempt of court.

Request and response

5. On 4 October 2021, the complainant wrote to the Trust and requested information in the following terms:

"Under the Freedom of Information Act 2000, I would like to request:

A copy of all correspondence between the Spectrum 10K research project and Barts Health NHS Trust (including the Royal London Hospital).

Should this request not fall within the scope of the Act, need refining or requires further clarification. please contact me on the below email as soon as possible to discuss how this may be amended."

6. To date, a substantive response to the request has not been issued.

Scope of the case

7. The complainant contacted the Commissioner on 12 November 2021 to complain about the Trust's failure to respond to their request.
8. The Commissioner has considered whether the Trust has complied with its obligations in relation to the time for compliance at section 10 of the FOIA.

Reasons for decision

9. Section 1(1) of the FOIA states that:

"Any person making a request for information to a public authority is entitled –

(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and

(b) if that is the case, to have that information communicated to him."

10. Section 10(1) of the FOIA states that a public authority must respond to a request promptly and *"not later than the twentieth working day following the date of receipt"*.

11. On 16 November 2021 the Commissioner wrote to the Trust, reminding it of its responsibilities and asking it to provide a substantive response to the complainant's request within 10 working days.
12. Despite this intervention the Trust has failed to respond to the complainant.
13. From the evidence provided to the Commissioner in this case, it is clear that the Trust did not deal with the request for information in accordance with the FOIA. The Commissioner finds that the Trust has breached section 10 by failing to respond to the request within 20 working days and it is now required to respond to the request in accordance with the FOIA.
