3. The Commissioner requires the Council to take the following steps to ensure compliance with the legislation.
  - Issue a substantive response to the request in accordance with its obligations under the EIR.

## **Request and response**

---

5. On 3 January 2022, the complainant made the following request for information to the Council:

“In the attached video traffic is backed up to the main roundabout at morrison's, these vehicles are mainly for McDonald's drive through and this is becoming a frequent sight for residents, as is the dangerous manovers by drivers to get around the queue.

Can you tell me

1. is there a traffic management plan submitted by McDonald's during the planning application process?
  2. Can you provide me with a copy.
  3. Do you as the local authority do regular risk assessment of the area around McDonald's? Is it a statutory duty to do this ?
  4. If so, what is the frequency and when was it last done? And please provide me with a copy
  5. if not, why?”
6. The Council acknowledged the request on 4 January 2022. To date, a substantive response to the request has not been issued.

## **Scope of the case**

---

7. The complainant contacted the Commissioner on 1 March 2022 to complain about the Council's failure to respond to this request.
8. The Commissioner contacted the Council on 7 March 2022 reminding it of its responsibilities and asking it to provide a substantive response to the complainant within 10 working days.
9. Despite this intervention the Council has failed to respond to the complainant.
10. The scope of this notice and the following analysis is to consider whether the Council has complied with regulation 5(2) of the EIR.

## **Reasons for decision**

---

11. Regulation 5(1) of the EIR states that:

"a public authority that holds environmental information shall make it available on request."

12. Regulation 5(2) of the EIR states that:

"Information shall be made available under paragraph (1) as soon as possible and no later than 20 working days after the date of receipt of the request."

13. From the evidence provided to the Commissioner in this case, it is clear that the Council did not deal with the request for information in accordance with the EIR. The Commissioner's decision is that the Council has breached regulation 5(2) by failing to respond to the request within 20 working days and it is now required to respond to the request in accordance with the EIR
