7. The Commissioner has considered whether the Council has complied with its obligations in relation to the time for compliance at section 10(1) of FOIA.

Reasons for decision

8. Section 1(1) of FOIA states that:
 - “Any person making a request for information to a public authority is entitled –
 - (a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
 - (b) if that is the case, to have that information communicated to him.”
9. Section 10(1) of the FOIA states that a public authority must respond to a request promptly and “not later than the twentieth working day following the date of receipt”.
10. On 20 May 2022 the Commissioner wrote to the Council, reminding it of its responsibilities and asking it to provide a substantive response to the complainant’s request within 10 working days.
11. Despite this intervention the Council has failed to respond to the complainant.
12. From the evidence provided to the Commissioner in this case, it is clear that the Council did not deal with the request for information in accordance with FOIA. The Commissioner finds that the Council has breached section 10(1) by failing to respond to the request within 20 working days and it is now required to respond to the request in accordance with FOIA.
