Reasons for decision

6. Section 1(1) of FOIA states that:

“Any person making a request for information to a public authority is entitled –

 - (a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and
 - (b) if that is the case, to have that information communicated to him.”
7. Section 10(1) of FOIA states that a public authority must respond to a request promptly and “not later than the twentieth working day following the date of receipt”.
