Decision notice

Date: 27 June 2023

Public Authority: Morecambe Town Council

Address: Morecambe Town Hall
Marine Road
Morecambe
LA4 5AF

Decision (including any steps ordered)

1. The complainant requested information about the council's purchases over £250,000 for the current financial year. By the date of this notice Morecambe Town Council (the Council) had not issued a substantive response to this request.
2. The Commissioner's decision is that the Council has breached section 10(1) of FOIA in that it failed to provide a valid response to the request within the statutory time frame of 20 working days.
3. The Commissioner requires the Council to take the following step to ensure compliance with the legislation.
 - the Council must provide a substantive response to the request in accordance with its obligations under FOIA.
4. The Council must take this step within 35 calendar days of the date of this decision notice. Failure to comply may result in the Commissioner making written certification of this fact to the High Court pursuant to section 54 of FOIA and may be dealt with as a contempt of court.

Request and response

5. On 23 February 2023, the complainant wrote to the Council and requested information in the following terms:

“This is a request under the Freedom of Information Act.

Please supply me with the details of all Morecombe Town Council’s purchases over £250,000 for the current financial year. For each of these purchases can you please provide the following:

- A description of the goods or services being purchased
 - The value of the goods or services and the relevant VAT due
 - The type of procurement used, e.g. quotations or tender framework etc
 - The Contracts Finder notice
 - The invitation to tender or request for quotations
 - The prices tendered or quoted
 - The number of suppliers sent the invitation to tender or request for quotations
 - The number of suppliers that provided a tender or quotation
 - Details of the reasoning for any decision to waive financial regulations
 - Contract extensions or the intention to extend a contract”
6. The Council did not acknowledge the request. To date, a substantive response has not been issued.

Reasons for decision

7. Section 1(1) of FOIA states that:

“Any person making a request for information to a public authority is entitled –

(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and

(b) if that is the case, to have that information communicated to him.”

8. Section 10(1) of FOIA states that a public authority must respond to a request promptly and "not later than the twentieth working day following the date of receipt".
9. On 9 June 2023 the Commissioner wrote to the Council, reminding it of its responsibilities and asking it to provide a substantive response to the complainant's request within 10 working days.
10. Despite this intervention the Council has failed to respond to the complainant.
11. From the evidence provided to the Commissioner in this case, it is clear that the Council did not deal with the request for information in accordance with FOIA. The Commissioner finds that the Council has breached section 10(1) by failing to respond to the request within 20 working days and it is now required to respond to the request in accordance with FOIA.
