### **Decision notice**

**Date:** 17 July 2023

**Public Authority:** Chief Constable of Essex Police

**Address:** PO Box 2  
Springfield  
Chelmsford  
Essex  
CM2 6DA

#### **Decision (including any steps ordered)**

---

1. The complainant requested information about correspondence with the Home Office regarding the White Hart Inn. By the date of this notice Essex Police had not issued a substantive response to this request.
2. The Commissioner's decision is that Essex Police has breached section 10(1) of FOIA in that it failed to provide a valid response to the request within the statutory time frame of 20 working days.
3. The Commissioner requires Essex Police to take the following step to ensure compliance with the legislation.
  - Essex Police must provide a substantive response to the request in accordance with its obligations under FOIA.
4. Essex Police must take this step within 35 calendar days of the date of this decision notice. Failure to comply may result in the Commissioner making written certification of this fact to the High Court pursuant to section 54 of FOIA and may be dealt with as a contempt of court.

## Request and response

---

5. On 18 April 2023, the complainant wrote to Essex Police and requested information in the following terms:

“Please provide a copy of any correspondence with the Home Office relating to the White Hart Inn in Grays for the period of 18th March 2023 to 18th April 2023.”

6. Essex Police acknowledged the request on 18 April 2023. To date, a substantive response has not been issued.

## Reasons for decision

---

7. Section 1(1) of FOIA states that:

“Any person making a request for information to a public authority is entitled –

(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and

(b) if that is the case, to have that information communicated to him.”

8. Section 10(1) of FOIA states that a public authority must respond to a request promptly and “not later than the twentieth working day following the date of receipt”.
9. On 23 June 2023 the Commissioner wrote to Essex Police, reminding it of its responsibilities and asking it to provide a substantive response to the complainant’s request within 10 working days.
10. Despite this intervention Essex Police has failed to respond to the complainant.
11. From the evidence provided to the Commissioner in this case, it is clear that Essex Police did not deal with the request for information in accordance with FOIA. The Commissioner finds that Essex Police has breached section 10(1) by failing to respond to the request within 20 working days and it is now required to respond to the request in accordance with FOIA.
