

Freedom of Information Act 2000 (FOIA)

Decision notice

Date: 29 September 2023

Public Authority: Causeway Coast and Glens Borough Council
Address: Civic Headquarters
Cloonavin
66 Portstewart Road
Coleraine
BT52 1EY

Decision (including any steps ordered)

1. The complainant requested information from Causeway Coast and Glens Borough Council (the public authority). By the date of this notice the public authority had not issued a substantive response to this request.
2. The Commissioner's decision is that the public authority has breached section 10(1) of FOIA in that it failed to provide a valid response to the request within the statutory time frame of 20 working days.
3. The Commissioner requires the public authority to take the following step to ensure compliance with the legislation.
 - The public authority must provide a substantive response to the request in accordance with its obligations under FOIA.
4. The public authority must take this step within 35 calendar days of the date of this decision notice. Failure to comply may result in the Commissioner making written certification of this fact to the High Court pursuant to section 54 of FOIA and may be dealt with as a contempt of court.

Request and response

5. On 20 July 2023, the complainant wrote to the public authority and requested information in the following terms:

“Can you please send me details of the cost of facilitating this year’s 12th of July demonstration in Ballycastle with comparison to the equivalent spend for the same period last year when there was no 12th demonstration in the town. (Or if not available the estimated cost) Details should be inclusive of costs arising from preparation of council facilities prior to the demonstration, costs incurred during the demonstration and the cost of the final clean up and return of facilities to the condition they were in prior to the event.”

Reasons for decision

6. Section 1(1) of FOIA states that:

“Any person making a request for information to a public authority is entitled –

(a) to be informed in writing by the public authority whether it holds information of the description specified in the request, and

(b) if that is the case, to have that information communicated to him.”

7. Section 10(1) of FOIA states that a public authority must respond to a request promptly and “not later than the twentieth working day following the date of receipt”.
8. On 11 September 2023 the Commissioner wrote to the public authority, reminding it of its responsibilities and asking it to provide a substantive response to the complainant’s request within 10 working days.
9. Despite this intervention the public authority has failed to respond to the complainant.
10. From the evidence provided to the Commissioner in this case, it is clear that the public authority did not deal with the request for information in accordance with FOIA. The Commissioner finds that the public authority has breached section 10(1) by failing to respond to the request within 20 working days and it is now required to respond to the request in accordance with FOIA.
