HEARING OFFICER S M Williams

DECISION

- 1 Patents Form 7/77 names three inventors; Lewis Ho, Yu-Chi Wang and King-Ming Chang.
- 2 CESCO Bioengineering Co Ltd., the patent applicants, have now made an application in accordance with section 13(1) of the Act to the effect that Ing-Kae Wang and Sing-Ying Hsieh ought also to have been named as joint inventors.
- 3 Andy Chin on behalf of Bioengineering Co Ltd has confirmed that the patent applicants consent to the application. Each of the named inventors have confirmed in writing that they consent to the application as has Ing-Kae Wang and Sing-Ying Hsieh. I therefore conclude that all the relevant parties agree that Ing-Kae Wang and Sing-Ying Hsieh should be named as joint inventors.
- 4 Accordingly I find that Ing-Kae Wang and Sing-Ying Hsieh should be mentioned as additional joint inventors in the published patent application and granted patent for the invention and I direct, in accordance with rule 10(1), that an addendum slip mentioning them as additional joint inventors be prepared for the published patent application and granted patent.
