HEARING OFFICER Andrew Bushell

DECISION

- 1 Patents Form 7/77 names two inventors: Edward P L Roberts and Nigel Willis Brown.
- 2 Marks & Clerk, the patent agents of the proprietor Ariva Technology Limited, has filed an application in accordance with rule 10(2) of the Patents Rules 2007 to the effect that Syed N Hussain should also have been named as a joint inventor.
- 3 Both the proprietor, Ariva Technology Limited, and the current listed inventors, Edward P L Roberts and Nigel Willis Brown, have filed written consent in support of this application. For his part, Syed N Hussain, has also confirmed in writing he should be named as a joint inventor. I therefore conclude that all relevant parties agree that Syed N Hussain should be named as a joint inventor.
- 4 Accordingly I find that Syed N Hussain should be mentioned as a joint inventor in the published patent application and granted patent for the invention. I therefore direct, in accordance with rule 10(1), that an addendum slip mentioning him as a joint inventor be prepared for the published patent application and granted patent for the invention.
