**TRADE MARKS ACT 1994**

**IN THE MATTER OF APPLICATION NO. 3178137 BY OPTRONICS LIMITED TO  
REGISTER THE FOLLOWING TRADE MARK**

**IN CLASSES 6, 9 AND 17**

**AND IN THE MATTER OF OPPOSITION THERETO UNDER NO. 408150  
BY OSRAM GMBH**

1) On 18 June 2018, I issued a decision (O-369-18) in these proceedings on behalf of the Registrar and this further decision corrects an irregularity in procedure in that decision.

2) Paragraph 83 and paragraph 84 of the decision set out the costs award as follows:

“83) The opponent has been successful in respect of approximately a quarter of the goods in which the opposition related. It is entitled to a contribution towards its costs but I reduce the amount to take account of this partial success. Awards of costs are governed by Annex A of Tribunal Practice Notice (TPN) 2 of 2016. I award costs as follows:

Preparing statement other considering counterstatement (including statutory fee of £200)	£275
Preparing evidence and considering other side's evidence	£250
Preparing for, and attending hearing	£250
<b>Total:</b>	<b>£775</b>

84) I order Optronics Limited to pay to Osram GmbH the sum of **£1800**. This sum is to be paid within fourteen days of the expiry of the appeal period or within fourteen days of the final determination of this case if any appeal against this decision is unsuccessful.”

3) The first paragraph identified a total award of £775, but paragraph 84 erroneously referred to a total award of £1800. This decision corrects the typographical error and confirms the cost award as being £775.

4) The appeal period will be reset and will now start from the date of this decision.
