LORD CROSS OF CHELSEA

[Delivered by LORD DIPLOCK]

Mr. Edwards, their Lordships have listened very carefully to all that you have had to say and have said so clearly and eloquently on behalf of your clients, and they appreciate the sincerity with which your clients hold the views that you have expressed on their behalf. Nevertheless, their Lordships are clearly and firmly of opinion that the Scheme must be allowed to go forward. They will accordingly advise Her Majesty that the appeal be dismissed and the Scheme confirmed.
