A.D. 1925.
"——"

BE it enacted by the King's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:—

PART I.

RATING.

1.—(1) The council of every county borough and the council of every urban and rural district shall be the rating authority for the borough or for the county district, and from and after the appointed day no authority or person other than the council shall have power to make or levy any rate within the borough or district.

Rating authorities.

(2) As from the appointed day all powers and duties of the overseers of the poor in relation to the making, levying, and collection of rates, and of any other person who by virtue of any local Act has powers in that behalf,

A.D. 1925. shall in every rating area be exercised and performed by
— the rating authority.

(3) Every rating authority shall for the purposes of their powers and duties under this Act (other than the power of appointing persons to act as members of an assessment committee) have the same power with respect to the appointment and authorisation of committees as they have under section two hundred of the Public Health Act, 1875, or subsection (1) of section fifty-six of the Local Government Act, 1894, as the case may be, for the purposes of the Acts relating to the public health.

38 & 39 Vict.
c. 55.

56 & 57 Vict.
c. 73.

(4) In the case of a rural rating area the parish council of every parish or group of parishes, and the parish meeting of every parish not under a parish council, shall be entitled to appoint two persons, being local government electors, to act as members of the rating authority, or of any committee appointed by that authority in pursuance of this section, so far as regards the exercise or performance in connection with property in that parish or group of parishes of any powers or duties of the rating authority under Part II. of this Act, and the persons so appointed shall, for that purpose, but not for any other purpose, be deemed to be members of the rating authority or committee, as the case may be.

Levy of, and
provisions as
to, general
rate.

2.—(1) As from the date of the first new valuation, the rating authority of each urban rating area, in lieu of the poor rate and any other rate which they have power to make, shall make and levy for their area a consolidated rate which shall be termed “the general rate.”

(2) As from the appointed day the rating authority of each rural rating area shall, in lieu of making a poor rate for each parish, make and levy a general rate for the whole of the district.

(3) Subject to the provisions of this Act, every general rate shall be a rate at a uniform amount per pound on the rateable value of each hereditament in the rating area, and shall be made, levied and collected, and shall be recoverable, in the same manner in which at the commencement of this Act the poor rate may be made, levied, collected and recovered, and all the enactments relating to the poor rate which are in force at the commencement of this Act, including (subject to the

provisions of this Act) enactments relating to appeals against a poor rate, shall, so far as not repealed by this Act, apply to the general rate :

Provided that—

- (a) In the case of any general rate made in a rural rating area in respect of any period before the date of the first new valuation, the rating authority shall, notwithstanding anything in this subsection, give effect in the collection of the rate to any exemption or abatement to which any person would have been entitled in respect of any hereditament if the rate had been a poor rate ; and
- (b) notwithstanding anything in the Distress for Rates Act, 1849, the justices shall not issue a warrant of commitment in default of distress for non-payment of the general rate against any person who proves to their satisfaction that his failure to pay is due to circumstances beyond his control, but where the justices in pursuance of this provision refuse to issue a warrant the rating authority may, unless the justices at the time of so refusing think fit to remit the payment of the rate (which they are hereby authorised to do), subsequently renew the application for a warrant of commitment on the ground that the circumstances of the person have changed.

12 & 13 Vict.
c. 14.

(4) A rating authority shall have power to reduce or remit the payment of any general rate on account of the poverty of any person liable to the payment thereof.

(5) Where any amount, other than an amount which falls to be raised by means of a special rate under this Part of this Act, is, by virtue of any precept or otherwise, chargeable separately on any part of a rating area, the rating authority shall levy that amount on that part of the area together with, and as an additional item of, the general rate.

(6) Expenses incurred under the Public Libraries Acts, 1892 to 1919, by the library authority (not being a county council) of a library district being a parish shall, instead of being defrayed out of a rate raised in manner provided by paragraph (c) of subsection (1) of section eighteen of the Public Libraries Act, 1892, be levied in

55 & 56 Vict.
c. 53.

A.D. 1925. the library district by the rating authority together with,
— and as an additional item of, the general rate.

8 & 9 Vict.
c. 18. (7) Section one hundred and thirty-three of the Lands Clauses Consolidation Act, 1845 (which provides that until the completion of the works the promoters of the undertaking shall make good any deficiency of poor rate caused by the lands being taken), shall have effect as though for the references therein to the poor's rate there were substituted references to the general rate, and as though the amount required to be made good by the promoters of the undertaking were in the case of lands situate in an urban rating area one-half of the deficiency in the several assessments to the general rate.

The assessment on which any payment made by promoters under the said section is based shall be inserted in the valuation list and any such payment shall be taken into account for the purpose of ascertaining the proceeds of any rate.

(8) The provisions of this Act relating to the general rate shall apply to any consolidated rate, by whatever name called, made for any area under any local Act on or after the date of the first new valuation.

(9) Every hereditament in the rating area, whether liable to be rated or not, shall be included in every rate in the rate book.

Levy of, and provisions as to, special rate in rural district.
3 & 4 Will. 4.
c. 90.

3.—(1) As from the appointed day the rating authority of each rural rating area shall, in lieu of any rate in respect of expenditure under the Lighting and Watching Act, 1833, and of any rate in respect of special expenses under the Acts relating to public health, make and levy in each part of the area which is liable to be separately rated in respect of any such expenditure or in respect of any such special expenses a separate rate which shall be termed "a special rate":

Provided that, where the amount of any such expenditure, or of any such expenses, for any half-year falling to be raised by means of a special rate chargeable on any part of the area is less than ten pounds, or is so small that a general rate of less than one penny in the pound would be sufficient to produce the amount of that expenditure or of those expenses, that amount shall not be levied by a special rate, but shall be levied in that part of the area together with, and as an additional item of, the general rate.

A.D. 1925.

In this subsection the expression "half-year" means the period of six months expiring on the thirty-first day of March or the thirtieth day of September.

(2) Subject to the express provisions of this Act as to special rates, all the provisions of this Act relating to the general rate shall apply to a special rate, except that the owner of any tithe or tithe rentcharge and the occupier of any woodlands, or of any land covered with water or used as a canal or as a towing-path for a canal or as a railway constructed under the powers of any Act of Parliament for public conveyance, and, until the date of the first new valuation, the occupier of any agricultural land, shall be liable to pay in respect of one-fourth part only of the rateable value of the tithe, tithe rentcharge, woodlands or land.

4.—(1) Every rate made by a rating authority on or after the appointed day shall be deemed to be made on the date on which it is approved by the authority, and any enactments requiring that rates must be allowed by justices shall cease to have effect.

Operation
and inci-
dence of
rate.

(2) Subject to the provisions of this section, every general rate shall be made in respect of a period commencing in the case of the first general rate made under this Part of this Act for any rural rating area on the appointed day, in the case of the first general rate so made for any other rating area on the date of the first new valuation, and in the case of any subsequent general rate immediately after the expiration of the last preceding period in respect of which a general rate was made, and terminating on such date, to be specified in the rate, as may be fixed by the rating authority, and, in the case of the last rate made in respect of any financial year, the date so fixed shall be the last day of that year.

(3) Every special rate shall be made in respect of such period, to be specified in the rate, as may be fixed by the rating authority, and a rating authority in fixing any such period shall have regard to the period during which the charges to be met by the rate accrue.

(4) The following provisions shall have effect with respect to the assessing of persons to and their liability in respect of a rate—

(a) a person who is in occupation of the hereditament for part only of the period in respect of

A.D. 1925.

which the rate is made, shall, subject to the provisions of this subsection, be liable to be charged with such part only of the total amount of the rate as the number of days during which he is in occupation bears to the total number of days comprised in the said period;

- (b) a person who is in occupation of the hereditament for any part of the said period may be assessed to the rate in accordance with the provisions of paragraph (a) of this subsection, notwithstanding that he ceased to be in occupation before the rate was made;
- (c) a person who is in occupation of the hereditament at any time after the rate is made may be assessed to and shall in the first instance be liable to pay, if he was in occupation at the beginning of the period, the whole rate, or, if he came into occupation subsequently, a proportion of the rate calculated on the basis that he will remain in occupation until the end of the said period, but shall, if he goes out of occupation before the end of the said period, be entitled to recover from the rating authority any sum paid by him in excess of the amount properly chargeable against him in accordance with the provisions of paragraph (a) of this subsection, except in so far as he has previously recovered the sum from an incoming occupier.

(5) Where the name of any person liable to be rated is not known to the rating authority, it shall be sufficient to assess him to the rate by the description of the "occupier" of the premises (naming them) in respect of which the assessment is made, without further name or description.

(6) Notwithstanding anything in this section, the rating authority may at any time make a supplementary rate if they think it necessary so to do having regard to the requirements of their area.

Amendment
of rate.

5.—(1) The rating authority may at any time make such amendments in a rate (being either the current or the last preceding rate) as appear to them necessary in order to make the rate conform with the provisions

of this Part of this Act and any other enactments relating thereto, and in particular may— A.D. 1925.

- (a) correct any clerical or arithmetical error in the rate :
- (b) correct any erroneous insertions or omissions or any misdescriptions :
- (c) make such additions to or corrections in the rate as appear to the authority to be necessary by reason of—
 - (i) any newly erected hereditament or any hereditament which was unoccupied at the time of the making of the rate coming into occupation ; or
 - (ii) any change in the occupation of any hereditament ; or
 - (iii) any property previously rated as a single hereditament becoming liable to be rated in parts :

Provided that not less than seven days before making under the foregoing provisions any amendment which is not necessitated by an alteration of the valuation list, and the effect of which is to alter the amount appearing in the rate as chargeable in respect of any hereditament, the rating authority shall send notice of the proposed amendment to the occupier of the hereditament, and if the owner is liable to pay the rates in respect of the hereditament also to the owner, and shall consider any objection thereto which may be made by him or them.

(2) Every amendment made under paragraph (a) or paragraph (b) of the preceding subsection in a rate shall have effect as if it had been contained in the rate as originally made.

(3) This section shall come into operation on the appointed day.

6.—(1) Notice of every rate shall be given by the rating authority within seven days after the making thereof, and the rate shall not be valid unless notice thereof is duly given in manner for the time being required by law. Publication
of rate.

(2) Any such notice may, if the rating authority think fit, be given either by affixing the notice at any

1 Vict. c. 45.

time within the said period of seven days on or near to the doors of churches and chapels in manner prescribed by section two of the Parish Notices Act, 1837, or by affixing the notice within the said period in some public or conspicuous place or situation in each parish affected, or by publishing the notice within the said period in one or more newspapers circulating in the area of the authority and different methods of publication may be used as respects different parts of the area of the rating authority.

(3) This section shall come into operation on the appointed day.

Demand
notes for
rates.

7.—(1) Information with respect to the following matters shall be included in the demand note on which the general rate is levied, that is to say—

- (a) the situation of the hereditament in respect of which the demand note is issued and such description thereof reasonably necessary for purposes of identification as may be prescribed;
- (b) the rateable value, and, where it differs from the rateable value, also the net annual value;
- (c) the amount in the pound at which the rate is charged;
- (d) the period in respect of which the rate is made;
- (e) the amounts in the pound which are being levied for the purposes respectively of the rating authority and of each authority by which a precept has been issued to the rating authority;
- (f) the amount, if any, in the pound which is being levied as an additional item of the rate;
- (g) the amounts in the pound which are being levied for such of the principal services administered respectively by the rating authority and the authorities by which precepts have been issued to the rating authority as may be prescribed.

(2) The information specified in paragraphs (a), (b) (c) (d) and (e) of subsection (1) of this section shall be included in the demand note on which any special rate is levied.

Discount on
general rate.

8.—(1) The rating authority may, if they think fit, by resolution direct that an allowance by way of discount not exceeding two and one-half per centum shall be made on the amount due in respect of any general rate from every person who pays the net amount due before such date as the rating authority shall prescribe :

A.D. 1925.

Provided that the said allowance—

- (a) shall not be made where the person paying the rate is an owner who is entitled to any of the allowances for which provision is made by section eleven of this Act; and
- (b) shall be made at the same rate to all persons entitled thereto.

(2) The rating authority may at any time revoke or vary a resolution under this section.

(3) While any resolution under this section is in force, there shall be included in every demand note on which the general rate is levied a statement of the effect of the resolution.

9.—(1) As from the appointed day, any precept issued by the council of a county which under any enactment or order in force immediately before that day is required to be sent to a board of guardians and any precept which under any such enactment or order is required to be sent to overseers shall, instead of being so sent, be sent to the rating authority.

Provisions
as to pre-
cepts.

(2) The provisions hereinafter in this subsection contained shall have effect in relation to any precepts issued by guardians in respect of any period beginning on or after the appointed day, and by councils of counties in respect of any period beginning on or after the first day of April, nineteen hundred and twenty-nine:—

- (a) Expenditure chargeable on two or more parishes or other areas which would, if this Act had not passed, have been chargeable in proportion to the yearly value of property therein shall not be apportioned between those parishes or areas:
- (b) The precept shall require the rating authority of each rating area affected to levy—
 - (i) as part of the general rate, or as an additional item of the general rate; or
 - (ii) during the period before the date on which the provisions of this Part of this Act relating to the making of a general rate come into operation, as part of the poor rate or as an additional item of the poor rate;

a rate of such an amount in the pound, being (subject in the case of an urban rating area to such adjustment as is hereinafter provided) the same amount in the case of each rating

—

area affected, as may be specified in the precept, and shall state the date or dates on or before which payments are required to be made on account of the rate levied in pursuance of the precept and the amount of each such payment:

- (c) Subject to the provisions of this section, the amount due under a precept to the authority by which it was issued shall be the amount produced by the rate of the amount in the pound specified therein, and, the rating authority shall make payments in accordance with the requirements of the precept on account of the amount due thereunder:

Provided that, for the purpose of securing that the basis on which the sums due under the precept are to be ascertained shall be the same for rural rating areas and urban rating areas, the amount due under a precept shall, in the case of an urban rating area, include a sum equal to that by which the produce of the rate would be increased if such of the reliefs given by Part II. of the Second Schedule to this Act as operate only in urban rating areas were not so given, and the precept shall require the rating authority to make provision accordingly for any such additional sum by increasing as may be necessary the amount in the pound of the rate which is required by the precept to be levied:

- (d) For the purpose of enabling councils of counties and boards of guardians to issue their precepts in manner required by this subsection, every rating authority shall before the first day of February in each year transmit to every county council and board of guardians having power to issue a precept to that rating authority an estimate of the amount, calculated in the prescribed manner, which would be produced in the next financial year by a rate of a penny in the pound levied in the rating area or part thereof, as the case may be, if provision were not made by the said Part II. of the Second Schedule for any such relief as aforesaid which operates only in an urban rating area, and the aggregate amount of the payments required by

the precept shall not exceed the sum which a rate of the amount in the pound therein specified would produce on the basis of the estimate for that year :

A.D. 1925.

Provided that, where a rating authority fails to transmit an estimate to any precepting authority in accordance with the foregoing provisions, the precepting authority may for the purposes of this section make an estimate in lieu of the rating authority :

(e) The precept must be issued, or information as to the amount in the pound of the rate to be levied thereunder must be given, to each rating authority affected not less than twenty-one days before the beginning of the financial year or the financial half-year, as the case may be, in which the rate is to be levied, and, for the purpose of enabling councils of counties to comply with the provisions of this paragraph, the estimates to be submitted to such councils under section seventy-four of the Local Government Act, 1888, shall be submitted before, instead of at the beginning of, every financial year, and an estimate may be revised under subsection (3) of the said section before the expiration, instead of at the expiration, of the first six months of the financial year :

51 & 52 Vict.
c. 41.

(f) The amount due under a precept issued to a rating authority shall be ascertained in the prescribed manner, and, if that amount exceeds the aggregate amount of the payments required by the precept, the balance shall be paid by the rating authority to the authority issuing the precept, but, if that amount is less than the aggregate amount of the payments required by the precept, the balance shall be set off against any amount required by the next precept issued to the rating authority :

(g) Where the amount due under a precept, or any part of that amount, is not paid on or before the date specified in the precept for payment, the authority by which the precept was issued may, if they think fit, require the rating

A.D. 1925.
—

authority to pay, in accordance with the following provisions, interest on that amount, or that part of the amount, and any interest so payable shall be paid by the rating authority to the authority by which the precept was issued in like manner as if it were due under the precept :

For the purpose of the foregoing provision, interest shall be calculated at the rate of six per cent. per annum and shall commence to run from the date of payment specified in the precept, except that no interest shall be charged in respect of any day before the expiration of six weeks from the commencement of the financial year or financial half-year, as the case may be, in respect of which the precept was issued, or in respect of any day on which the aggregate amount of any payments made under the precept is equal to or exceeds the sum which bears to the aggregate amount of the instalments required by the precept the same proportion as the number of days which have elapsed since the commencement of the said financial year or half-year, as the case may be, bears to the total number of days contained in that year or half-year.

(3) Any other authority by which precepts are issued, or any rating authority to which precepts are issued by any such first-mentioned authority, may make and submit to the Minister a scheme for applying to precepts issued by or to that authority the provisions of the last preceding subsection, subject to such modifications as may appear to be necessary having regard to the basis of apportionment or the incidence of charge existing at the commencement of this Act, and the Minister may, after giving any authorities concerned an opportunity of objecting, by order confirm the scheme either without modifications or subject to such modifications as he thinks fit :

Provided that, if an objection to any such scheme is made by any of the authorities concerned and is not withdrawn, the order shall be provisional only and shall not have effect unless and until confirmed by Parliament.

A scheme duly made, submitted and confirmed in accordance with the provisions of this subsection shall,

subject to the provisions of the confirming order, have effect as if enacted in this Act. A.D. 1925.

(4) Rules made for the purposes of this section—

(a) shall provide in what manner and to what extent the cost of the collection of a rate, including any allowances made under section eight or section eleven of this Act, and losses on collection are to be treated as deductions in estimating and ascertaining the amount produced by the rate; and

(b) shall make provision with respect to any other matters for which it appears necessary to make provision in order to carry this section into effect.

(5) Every authority shall on issuing a precept supply to the rating authority such information as is reasonably necessary for the preparation of demand notes in accordance with the foregoing provisions of this Part of this Act.

10.—(1) As from the date on which the provisions of this Part of this Act relating to the making of a general rate come into operation in a rating area, the rating authority shall keep, in substitution for such of their then existing rate funds as are being kept for the whole of the area, one rate fund, which shall be termed “the general rate fund,” and all such first-mentioned rate funds which are being kept for the whole area on that date shall be amalgamated into the general rate fund, and references in any Act or document to the borough fund or district fund or any other rate fund which by virtue of this section has become amalgamated with the general rate fund shall, unless the context otherwise requires, be construed as references to the general rate fund. Unification
of funds and
accounts.

(2) After the appointed day and subject as hereinafter provided, a rating authority shall not, so far as regards income which belongs to or expenditure which is chargeable on the whole of the rating area, be required to keep separate accounts for the parishes in their area, and the council of a county or a board of guardians shall not, so far as regards income which belongs to or expenditure which is chargeable on the whole of the county or union, or the whole of any rating area in the county, keep separate accounts for parishes, but shall keep separate accounts for rating areas:

A.D. 1925.

—
42 & 43 Vict.
c. 6.

Provided that nothing in this subsection shall affect the power of the Minister to make orders under section five of the District Auditors Act, 1879, requiring separate accounts to be kept as regards income or expenditure which relates to part only of an area, county or union.

(3) Where any authority other than a rating authority receives income applicable to the relief of rates in some part of their area (not being a part of the area to which expenditure properly incurred in connection therewith of an equal or greater amount is chargeable separately), that authority shall pay over the income so received (less the amount of any expenses properly incurred in connection therewith) to the rating authority of the area in which that part is situate to be credited to that part.

Rating of,
and collec-
tion of rates
by, owners.

11.—(1) The rating authority may by resolution direct that, in the case of all hereditaments in their area (exclusive of hereditaments consisting of agricultural land) which belong to a class to be defined in the resolution by reference to rateable value and also, if rent is paid, by reference to the interval at which rent from time to time becomes payable or is collected, the owners thereof shall be rated instead of the occupiers :

32 & 33 Vict.
c. 41.

Provided that the class shall not be so defined as to include any hereditament the rent of which becomes payable or is collected at quarterly or any longer intervals or the rateable value of which exceeds thirteen pounds, or, in the case of any area in which, at the passing of this Act, a higher limit of value is in force for the purposes of section three of the Poor Rate Assessment and Collection Act, 1869, that higher limit.

Where a rating authority give any such direction as aforesaid—

(a) the owners of any hereditaments in the area of that authority to which the direction applies shall, in the case of any rate made while the resolution is in force, be rated accordingly, and the rating authority shall make to any owner who being so rated pays the amount due by him in respect of the rate before the expiration of one-half of the period in respect of which the rate is made (or, if the rate is payable by instalments one half of the period in respect of which the instalment is payable) or such later date or dates as may be specified in the

resolution an allowance equal to ten per cent. of the amount payable; and

- (b) the rating authority, if they are the owners of any such hereditaments as aforesaid, shall in the case of any hereditament which is of a rateable value not exceeding that specified in the resolution and which is occupied by the owner, make to the owner (subject to the amount of the rate chargeable in respect of the hereditament being paid by the owner within the time fixed by the foregoing paragraph) an allowance corresponding to the amount, if any, passed on by the authority to the occupiers of hereditaments owned by them in respect of the allowance to which the authority are entitled under this subsection, and, unless the contrary is proved, an amount not less than five per cent. of the amount payable in respect of rates shall be deemed to have been so passed on by the authority.

(2) The owner of any hereditaments to which this subsection applies, that is to say, hereditaments the rent of which becomes payable or is collected at intervals shorter than quarterly, may, by agreement in writing with the rating authority, undertake in respect of any such hereditament either—

- (a) that he will pay the rates chargeable in respect thereof, whether it is occupied or not; or
(b) that he will, so long as the hereditament is occupied, pay the rates chargeable in respect thereof; or
(c) that he will on behalf of the authority collect the rates due from the occupier thereof,

and the authority may agree, where the owner so undertakes and pays over to the authority on or before the date or dates specified in the agreement the amounts payable by him thereunder, to make to him an allowance not exceeding in the case of an undertaking under paragraph (a) fifteen per cent., in the case of an undertaking under paragraph (b) seven and one-half per cent., and in the case of an undertaking under paragraph (c) five per cent.

An allowance made under this subsection in respect of any hereditament to an owner who is rated under the preceding subsection shall be in substitution for any allowance to which he might otherwise have been

A.D. 1925. — entitled in respect of that hereditament under the preceding subsection.

(3) An agreement entered into under this section shall continue in force until determined by notice given either by the rating authority to the owner or by the owner to the rating authority and, in the event of a change in the ownership of any hereditament while the agreement is in force, shall continue to be binding on the new owner as if it had been made with him.

A notice for the purposes of this subsection, or a resolution of the rating authority rescinding a previous resolution under subsection (1) of this section, shall take effect only on the expiration of a period in respect of which a rate is made, and in the case of a notice must be given before the commencement of the period on the expiration of which it is to take effect.

(4) Where in pursuance of this section the owner is rated or has undertaken to pay or collect the rates charged in respect of any hereditament, the amount due from him in respect of the rates shall be recoverable by the rating authority from him or, where the rates are collected by an agent of his, either from him or from that agent, in the same manner and subject to the same conditions in and subject to which rates are recoverable from occupiers of rated hereditaments.

(5) In the case of an undertaking by an owner to collect rates on behalf of the rating authority, the amount due from the owner shall be taken to be an amount which bears to the total amount of the rates due the same proportion as the aggregate amount actually collected by him in respect of rent and rates bears to the aggregate amount due in respect thereof.

Unless the undertaking by the owner to collect rates expressly so provides, the expression "rates due" shall not, for the purposes of the provisions of this section relating to an undertaking by an owner to collect rates, include rates accruing due before the date on which the undertaking comes into operation, nor for the purposes of this subsection shall account be taken of rent which accrued due before that date.

(6) Every owner who is rated under this section instead of the occupier, or who enters into an agreement with a rating authority under this section, shall from time to time on demand deliver to the rating authority

a list of the occupiers of the hereditaments in respect of which he is so rated or has so agreed, and such particulars with respect to the periods for which any of those hereditaments have been unoccupied, and with respect to the amounts which he has failed to collect from the occupiers, as the authority may require for the purpose of enabling them to determine what amount is properly due from the owner under this section, and if any such owner refuses or neglects to comply with the provisions of this subsection, or knowingly delivers to the rating authority particulars which are untrue in any material respect, he shall, in respect of each offence, be liable on summary conviction to a fine not exceeding five pounds, and, in the case of refusal or neglect to deliver particulars, to a further penalty not exceeding one pound for each day during which the offence continues after conviction therefor.

(7) Sections seven, eight, twelve, and nineteen of the Poor Rate Assessment and Collection Act, 1869 (which relate respectively to the constructive payment of rates, the power of occupiers to deduct from rent the amount of rates unpaid by owners, the recovery of rates unpaid by owners and the insertion of the names of occupiers in the rates), shall have effect for the purposes of this section as if they were therein re-enacted and in terms made applicable to the provisions thereof.

(8) Every owner who is rated under this section instead of the occupier, or who enters into an agreement with the rating authority under this section, in respect of any hereditaments shall, without prejudice to the rights of the occupier of any of those hereditaments, be treated in relation to any right of appeal to quarter sessions against a rate and for the purpose of the provisions of Part II. of this Act relating to objections, appeals and proposals as standing in the same position as the occupier.

(9) Any owner who under subsection (1) of this section pays any rate which, as between the owner and the occupier, the occupier is liable to pay, shall be entitled to be reimbursed by the occupier the amount so paid.

(10) The provisions of this section shall come into operation in any rating area on the date of the first new valuation and shall have effect in substitution for the provisions contained in sections three and four of the Poor Rate Assessment and Collection Act, 1869, and paragraph (a) of subsection (1) of section two hundred

A.D. 1925, and eleven of the Public Health Act, 1875, and, unless the rating authority concerned otherwise resolve, for any provisions contained in any local Act with respect to the rating of owners instead of occupiers, and as from the said date all resolutions, agreements, and notices then in force under any such provisions as aforesaid shall, subject as aforesaid, cease to have effect.

(11) For the purposes of this section the expression "owner," in relation to a hereditament means the person who is, or if the hereditament were occupied would be, entitled to receive the rent payable in respect thereof, or where the hereditament is occupied free of rent the person by whose permission it is so occupied.

12.—(1) Every local authority shall make such rates or issue such precepts as will be sufficient to provide for such part of the total estimated expenditure to be incurred by the authority during the period in respect of which the rate is made or precept is issued as is to be met out of moneys raised by rates, including in that expenditure any sums payable to any other authority under precepts issued by that authority, together with such additional amount as is in the opinion of the authority required to cover expenditure previously incurred (whether within six months before the making of the rate or issue of the precept, as the case may be, or not), or to meet contingencies or to defray any expenditure which may fall to be defrayed before the date on which the moneys to be received in respect of the next subsequent rate or precept will become available.

(2) The treasurer of a local authority may at any time advance to the authority any sum which the authority may temporarily require and which—

(a) they are at that time authorised to raise by loan; or

(b) they require for the purpose of defraying expenses pending the receipt of rates and revenues receivable by them in respect of the period of account in which those expenses are chargeable;

and the authority may pay interest at a reasonable rate on any advance so made.

(3) Any loss represented by any such charge for interest or any loss of interest, shall, if it arises from failure through wilful neglect or wilful default to make or collect such rates or to issue such precepts

as are necessary to cover the expenditure of the authority for any financial year (including any expenditure incurred in any previous year and not covered by rates previously levied), be deemed to be a loss within the meaning of section thirty-two of the Poor Law Amendment Act, 1844, and subsection (7) of section two hundred and forty-seven of the Public Health Act, 1875.

A.D. 1925.

7 & 8 Vict.
c. 101.

(4) This section shall have effect as from the appointed day.

13.—(1) Where in pursuance of a precept issued by an authority (in this section referred to as “the precepting authority”), after the passing of this Act, any amount is payable directly or indirectly by a rating authority to the precepting authority and, on an application for a certificate by the precepting authority made after twenty-one days’ notice given to the rating authority, the Minister is satisfied that the rating authority have refused or through wilful neglect or wilful default failed to raise that amount by a rate, or that, having raised the amount by a rate, the rating authority have refused or through wilful neglect or wilful default failed to pay the amount due under the precept, the Minister may issue a certificate to that effect and thereupon—

Power for securing payment of precepts.

- (a) the precepting authority shall have the like power of applying for a receiver; and
- (b) a receiver may on such an application be appointed in like manner, and when appointed shall have the like power

as if—

- (i) the precepting authority were a secured creditor of the rating authority for the amount due under the precept, with interest thereon at the rate of six per cent. per annum from the date when the amount became payable under the precept; and
- (ii) the said amount and interest were due under a security issued under the Local Loans Act, 1875, charging them on the rates leviable by and on all other property of the rating authority; and
- (iii) the conditions under which a receiver may in such a case be appointed under section twelve of that Act were fulfilled;

38 & 39 Vict.
c. 83.

and the said section shall apply accordingly.

A.D. 1925.

(2) If the Minister so thinks fit, an application under this section may be made by him instead of by the precepting authority.

(3) The powers of this section shall be in addition to and not in derogation of any other powers for enforcing compliance with a precept issued to a rating authority.

Limitation
of right to
appeal to
quarter
sessions
against rate.

14. No appeal against a rate shall lie to quarter sessions in respect of any matter in respect of which relief might have been or might be obtained under the provisions of Part II. of this Act by means of an objection to the draft valuation list or to any alteration, insertion or correction made therein or by means of a proposal for the amendment of the current valuation list.

Recovery of
rates from
tenants and
lodgers.

15.—(1) Where the rates due from the person rated for any hereditament are in arrear, it shall be lawful for the rating authority to serve upon any person paying rent in respect of that hereditament, or any part thereof, to the person from whom the arrears are due, a notice stating the amount of such arrears of rates and requiring all future payments of rent (whether the same have already accrued due or not) by the person paying the rent to be made direct to the rating authority until such arrears shall have been duly paid, and such notice shall, subject as hereinafter provided, operate to transfer to the rating authority the right to recover, receive, and give a discharge for such rent :

Provided that the right of the rating authority to recover, receive and give a discharge for any rent as aforesaid shall be postponed to any right in respect of that rent which may at any time be vested in a superior landlord by virtue of a notice under section six of the Law of Distress (Amendment) Act, 1908.

8 Edw. 7.
c. 53.

(2) This section shall have effect as from the appointed day.

(3) In this section the expression "rent" includes a payment made by a lodger.

PART II.

VALUATION.

Areas and Authorities.

Assessment
areas.

16.—(1) Subject to the provisions of this Part of this Act county boroughs and such other areas as may be

constituted by schemes made under this section shall be assessment areas for the purposes of this Part of this Act.

(2) As soon as may be after the passing of this Act the council of every county shall, after consultation with the authorities of the rating areas in the county and with the boards of guardians of the poor law unions situate wholly or partly in the county, make and submit to the Minister a scheme for the constitution of assessment areas consisting of one or more rating areas.

(3) Any two or more councils, whether councils of counties or county boroughs, may make and submit to the Minister a joint scheme for the constitution of assessment areas.

(4) A copy of any scheme submitted to the Minister under subsection (2) or subsection (3) of this section shall be forwarded forthwith by the council or councils submitting the scheme to the authorities of the rating areas and the boards of guardians of the poor law unions affected thereby.

(5) As soon as a scheme has been submitted to the Minister under this section, the council or councils submitting the scheme shall publish in one or more newspapers circulating in their area or areas a notice stating that the scheme has been so submitted and that a copy thereof is open to inspection at a specified place.

(6) No scheme submitted to the Minister under this section shall be of any effect unless and until it is approved by the Minister, and the Minister, after considering any representations with respect to the scheme which may be submitted to him by rating and other local authorities and any other interested parties (which representations rating and other local authorities and any other interested parties are hereby authorised to make), may approve the scheme with or without modifications.

(7) If the council of any county fails to submit to the Minister within six months after the passing of this Act a scheme for the constitution of assessment areas, the Minister may himself make a scheme for the purpose after consultation with the councils and boards of guardians concerned.

(8) Any scheme made under this section may be revoked or varied—

(a) by a new scheme made and submitted to and approved by the Minister in accordance with the

A.D. 1925.
—

provisions (subject to any necessary modifications) of subsections (2), (3), (4), (5) and (6) of this section ; or

(b) by a new scheme made by the Minister on a representation made by any assessment committee or rating authority and after consultation with the councils and boards of guardians concerned.

(9) Before a scheme is made by the Minister under this section, he shall publish in one or more newspapers circulating in the areas to which the scheme relates, a notice stating his proposal to make the scheme, and that a copy of the draft scheme is open to inspection at a specified place and specifying a date by which any persons affected may send to him representations with respect to the draft scheme.

(10) In making schemes under this section regard shall be had to the population and rateable value of the rating areas which will be affected by the scheme and to the desirability that each assessment area shall have an administrative centre which is appropriate for the carrying out of the work of assessment in the area and convenient for the attendance of the persons interested therein, and that suitable premises for the transaction of the business of the assessment committee for the assessment area shall be available without unnecessary expenditure.

17.—(1) There shall be an assessment committee for every assessment area.

(2) The assessment committee for an assessment area shall, in the case of an assessment area being a county borough, be appointed as soon as may be after the passing of this Act, and in the case of any other assessment area shall be appointed as soon as may be after the assessment area has been constituted, and as from the appointed day assessment committees shall exercise such powers and perform such duties as are conferred on them by this Act, and all assessment committees constituted under the Union Assessment Acts, 1862 to 1880, shall cease to exist.

(3) In the case of an assessment area being a county borough, the assessment committee shall consist of such number of persons to be appointed by the council of the borough as may be determined by the council, and of the persons to be so appointed not less than one-quarter shall

be persons appointed to represent the boards of guardians of any unions any parts of which are comprised in the area of the borough and not less than one-fifth shall be persons who are neither members of the council of the borough nor members of any such board of guardians as aforesaid.

The persons appointed as aforesaid to represent boards of guardians shall be persons nominated by the boards.

(4) In the case of any other assessment area the assessment committee shall consist of persons to be appointed by the following authorities, being authorities whose area or any part of whose area is comprised in the assessment area, that is to say, rating authorities, boards of guardians and the councils of counties, and the proportion in which the said authorities shall be represented shall be determined by the scheme constituting the area.

(5) The provisions contained in the First Schedule to this Act shall have effect with respect to assessment committees.

18.—(1) For the purposes of this Part of this Act there shall be established in every county a committee of the county council (to be called "the county valuation committee") consisting of such number of persons, being members of the council of the county, as the council may think fit to appoint and of a representative of the assessment committee for each assessment area which, or any part of which, is comprised in the area of the county to be nominated by the assessment committee.

County valuation committees.

(2) It shall be the duty of every county valuation committee to take such steps as the committee think fit for promoting uniformity in the principles and practice of valuation and assisting rating authorities and assessment committees in the performance of their functions under this Part of this Act, and for the purpose of the performance of the said duty the committee shall have power, either alone or in conjunction with county valuation committees for other counties, to hold conferences with persons representing assessment committees (including assessment committees for county boroughs), and to bring to the notice of any rating authorities or assessment committees any conclusions arrived at or recommendations made by the committee or at any such conference.

A.D. 1925.

(3) A county valuation committee may, either alone or in conjunction with any rating authority, assessment committee or other county valuation committee, appear as a party to any objection or appeal under this Part of this Act:

Provided that the committee shall not be entitled so to appear in opposition to any objection made or appeal brought by the occupier of the hereditament affected unless not less than three days before the date of the hearing of the objection or, in the case of an appeal, such longer period as may be required by the rules relating to appeals, the committee have given notice in writing to the occupier stating their intention so to appear and the grounds of their opposition or the representations which they propose to make at the hearing.

(4) Notwithstanding anything in this section, subsections (1) and (2) of section eighty-two of the Local Government Act, 1888 (which relates to the proceedings of committees appointed by county councils), shall apply in relation to the county valuation committee, and subsection (3) of section eighty of the said Act shall apply in relation to expenditure incurred or to be incurred in connection with the exercise by the committee of its functions as it applies to any other expenditure of a county council.

Valuation Lists.

Making and
operation of
new valuation
lists.

19.—(1) A new valuation list shall be made in accordance with this Part of this Act for every rating area so as to come into force either on the first day of April, nineteen hundred and twenty-eight, or the first day of April, nineteen hundred and twenty-nine, and a second new valuation list shall be so made so as to come into force for every such area on the first day of April, in the year nineteen hundred and thirty-two, the year nineteen hundred and thirty-three, or the year nineteen hundred and thirty-four, and thereafter new valuation lists shall be made from time to time so that the interval between the dates on which one valuation list and the next succeeding valuation list respectively come into force shall be a period of five years:

Provided that the Minister may by order—

(a) on the application of the assessment committee for any assessment area, extend or reduce by

six months the interval which would otherwise elapse between the coming into force of any two successive valuation lists for any rating area, and may for that purpose substitute the first day of October for the first day of April, and (in the case of such a substitution having been made) thereafter substitute the first day of April for the first day of October, as the date on which a new valuation list is to come into force; and

(b) on the application of any rating authority made with the concurrence of the assessment committee, divide the rating area into parts for the purposes of a new valuation list and determine the years in which the next following valuation list for each of such parts respectively shall be made in pursuance of such order and come into force.

(2) Subject to the provisions of any such order as aforesaid, every new valuation list shall come into force on the first day of April next following the date on which it is finally approved by the assessment committee, and shall, subject to the provisions of this Act (including the provisions with respect to the alteration of and the making of additions to the valuation list), remain in force until it is superseded by a new valuation list.

(3) The question as to the year in which the first or the second new valuation list for any area is to come into force shall be determined by the assessment committee after consultation with the rating authority.

20.—(1) For the purpose of every rate as defined by this Act, and for the purpose of determining the annual value of premises under the Licensing (Consolidation) Act, 1910, or under the enactments relating to the qualification of a manager of a school or asylum district, or, save as hereinafter mentioned, of a juror, the valuation list as in force at the time when the rate is made or the value of the premises is to be determined, shall be conclusive evidence of the values of the several hereditaments included in the list :

Effect of valuation list.
10 Edw. 7.
and 1 Geo. 5.
c. 24.

Provided that, for the purposes of determining the qualification of a special juror, the rateable value of premises shall be taken to be the net annual value as appearing in the list.

A.D. 1925.

(2) Where for the purposes of the Licensing (Consolidation) Act, 1910, it is necessary to make a separate valuation of any hereditament by reason of its not being separately valued in any valuation list, the value of that hereditament shall be ascertained in the same manner as if this Act had not passed.

Contents of
valuation
list.

21.—(1) Subject to the provisions of this Act, there shall be inserted in the valuation list such particulars with respect to every hereditament in the rating area and the value thereof as may be prescribed.

(2) The particulars with respect to each parish in the rating area shall be set out in a separate division of the valuation list.

Ascertain-
ment of
rateable
value.

22.—(1) For the purposes of the first new valuation list to be prepared under this Act and of any subsequent valuation list the rateable value of a hereditament shall be ascertained as follows :—

(a) If the hereditament belongs to one of the classes specified in the first column of the table contained in Part I. of the Second Schedule to this Act, there shall be deducted from the gross value of the hereditament an amount representing the deduction specified with respect to hereditaments of that class in the second column of the said table, and also, in the case of a hereditament subject to any rate, charge, or assessment made by any commissioners of sewers or other like authority in respect of any drainage, wall, embankment, or other work for the benefit of the hereditament (not being a usual tenant's rate), such further amount as represents the average annual amount of that rate, charge, or assessment, and the gross value as so reduced is in this Act referred to as the net annual value :

(b) If the hereditament is not such a hereditament as is mentioned in paragraph (a), there shall be estimated the rent at which the hereditament might reasonably be expected to let from year to year if the tenant undertook to pay all usual tenant's rates and taxes and tithe rentcharge, if any, and to bear the cost of the repairs and insurance and the other expenses, if any, necessary to maintain the hereditament in a state

to command that rent, and the annual rent as so estimated shall, for the purposes of this Part of this Act, be taken to be the net annual value of the hereditament :

(c) The rateable value of a hereditament shall be taken to be the net annual value thereof as ascertained under paragraph (a) or paragraph (b), as the case may be, except that if the hereditament belongs to one of the classes specified in the first column of the table contained in Part II. of the said Schedule, its rateable value shall be taken to be the amount produced by making from the net annual value such deduction as is specified with respect to hereditaments of that class in the second column of the said table :

(d) if the amount of the net annual value and of the rateable value, in a case where those values are the same, or in any other case the amount of the rateable value, includes a fraction of a pound, the amount of both those values or of the rateable value, as the case may be, shall be increased or reduced, as the case may be, to the nearest complete pound, or if the fraction is ten shillings the fraction shall be disregarded.

(2) As from the date of the first new valuation any deduction made in pursuance of the provisions of Part II. of the said Schedule from the net annual value of agricultural land shall, so far as it affects the raising of money which if this Act had not passed would have been raised by rates to which the Agricultural Rates Acts, 1896 and 1923 apply, be treated for the purposes of those Acts as if it were the relief from rates for which provision is made by those Acts, and, subject as aforesaid, any deduction made in pursuance of the provisions of the said Part II. from the net annual value of any hereditament shall for all purposes be taken to be in substitution for any corresponding relief in respect of rating to which the occupier of that hereditament would have been entitled under the Acts relating to the public health, or any local Act, or otherwise, if this Act had not passed.

(3) The provisions set out in Part III. of the said Schedule shall have effect in relation to the deductions to be made under this section.

buildings
occupied in
parts.

23.—(1) Where a building which was constructed or has been adapted for the purposes of a single dwelling-house, or as to part thereof for such purpose, and as to the remainder thereof for any purpose other than that of a dwelling or residence, is occupied in parts, the rating authority or the assessment committee in preparing, or revising a draft valuation list, or in amending a current valuation list may, if they think fit, having regard to all the circumstances of the case, including the extent, if any, to which the parts separately occupied have been severed by structural alterations, treat the building or any portion thereof as a single hereditament, and a building or portion of a building so treated as a single hereditament shall, for the purposes of rating, be deemed to be a single hereditament in the occupation of the person who receives the rents payable in respect of the parts.

(2) This section shall have effect in any area for the purpose of the making of the first new valuation list under this Act for that area and for the purpose of the revision of that list and the making or revision of any subsequent list, but shall not have effect for the purpose of the making or revision of any other valuation list.

Valuation

ments con-
taining
machinery
and plant.

24.—(1) For the purpose of the making or revision of valuation lists under this Part of this Act, the following provisions shall have effect with respect to the valuation of any hereditament other than a hereditament the value of which is ascertained by reference to the accounts, receipts or profits of the undertaking carried on therein:—

- (a) All such plant or machinery in or on the hereditament as belongs to any of the classes specified in the Third Schedule to this Act shall be deemed to be a part of the hereditament:
- (b) Subject as aforesaid, no account shall be taken of the value of any plant or machinery in or on the hereditament.

(2) The rating authority or the assessment committee, as the case may require, shall, on being so required in writing by the occupier of any hereditament, furnish to him particulars in writing showing what machinery or plant, or whether any particular machinery or plant, has

been treated in pursuance of the provisions of this section as forming part of the hereditament.

(3) For the purpose of enabling all persons concerned to have precise information as to what machinery and plant falls within the classes specified in the said Third Schedule, there shall be constituted a committee consisting of five persons to be appointed by the Minister, and the said committee shall as soon as may be after the passing of this Act prepare a statement setting out in detail all the machinery and plant which appears to the committee to fall within any of the classes specified in the said schedule.

(4) The committee shall as soon as the said statement has been prepared transmit it to the Minister, who shall cause it to be published in such manner as he thinks fit.

(5) The Minister, after considering the statement and any representations which may be made to him with respect thereto, may, if he thinks fit, make an order confirming it, with or without modifications, and, subject as hereinafter provided, the statement as confirmed by the order shall for all purposes have effect as if it were substituted for the Third Schedule to this Act.

The order confirming the statement shall as soon as may be after it is made be laid before both Houses of Parliament, and if either House within the next subsequent twenty days on which that House has sat next after the order is laid before it presents an Address to His Majesty against the order, or any part thereof, the order, or that part of the order, shall thenceforth be void, but without prejudice to the validity of anything done thereunder and without prejudice to the making of a new order.

(6) The statement confirmed as aforesaid shall be revised at such intervals as the Minister may direct, and the provisions of subsections (4) and (5) of this section shall, subject to the necessary modifications, have effect in relation to the revised statement as they have effect in relation to the original statement, except that a revised statement shall (subject to the provisions contained in subsection (5) with respect to the presentation of an Address to His Majesty) come into operation on such date as may be specified in the confirming order.

(7) For the purposes of this section there shall be constituted a panel of referees, and if on or in connection

(8) The said panel shall consist of persons to be appointed by the Lord Chief Justice of England, and the Lord Chief Justice may make rules fixing the fees to be charged in respect of proceedings before a referee and with respect to the procedure on and in connection with references under this section and with respect to the selection of a referee in cases where the parties fail to agree as to the member of the panel to be appointed, and provision may be made by the rules for applying to references under this section (subject to the express provisions thereof) any of the provisions of the Arbitration Act, 1889, but except in so far as it may be so applied, that Act shall not apply to references under this section.

52 & 53 Vict.
c. 49.

(9) A referee under this section may, and shall if so required by any party to the reference, before making his award inspect the plant or machinery in respect of which the question arises, and the award of the referee shall be final and conclusive.

(10) Nothing in this section shall affect the law or practice with regard to the valuation of hereditaments the value of which is ascertained by reference to the accounts, receipts or profits of an undertaking carried on therein, or be taken to extend the class of property which is under the law and practice as in force at the commencement of this Act deemed to be provided by the occupier and to form part of his capital.

26.—(1) Any person (including the county valuation committee and any local authority) aggrieved by the incorrectness or unfairness of any matter in the draft list, or by the insertion therein or omission therefrom of any matter, or by the valuation as a single hereditament of a building or a portion of a building occupied in parts; or otherwise with respect to the list, may in accordance with the provisions of this Part of this Act lodge an objection with the assessment committee at any time before the expiration of twenty-five days from the date on which the draft list was deposited. Objections to draft valuation list.
