EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Motor Vehicles (Tests) Regulations 1981 (“the 1981 Regulations”), which make provision for certain motor vehicles to be examined by persons authorised by the Secretary of State and for test certificates to be issued for vehicles that are found to meet certain requirements. These certificates are commonly referred to as “MOT Certificates”.

Regulation 3 makes amendments to regulation 20 of the 1981 Regulations. Regulation 20 prescribes the fees payable for examinations of vehicles pursuant to applications made under regulation 12 of those Regulations. In relation to class VI and class VIA vehicles, fees for tests conducted at designated premises (premises not provided by the vehicle and Operator Services Agency (VOSA)) are reduced, whilst fees for tests at premises provided by VOSA are increased.

The new fees for examinations of vehicles in Classes VI and VIA are set out in the following table (with percentage increases or decreases, since the fees were last fixed from 1st April 2010, shown in brackets) and take effect on 1st April 2012. Class VI and VIA vehicles are public service vehicles of the types specified in regulation 5 of the 1981 Regulations.
