SCHEDULE 1

Regulation 2

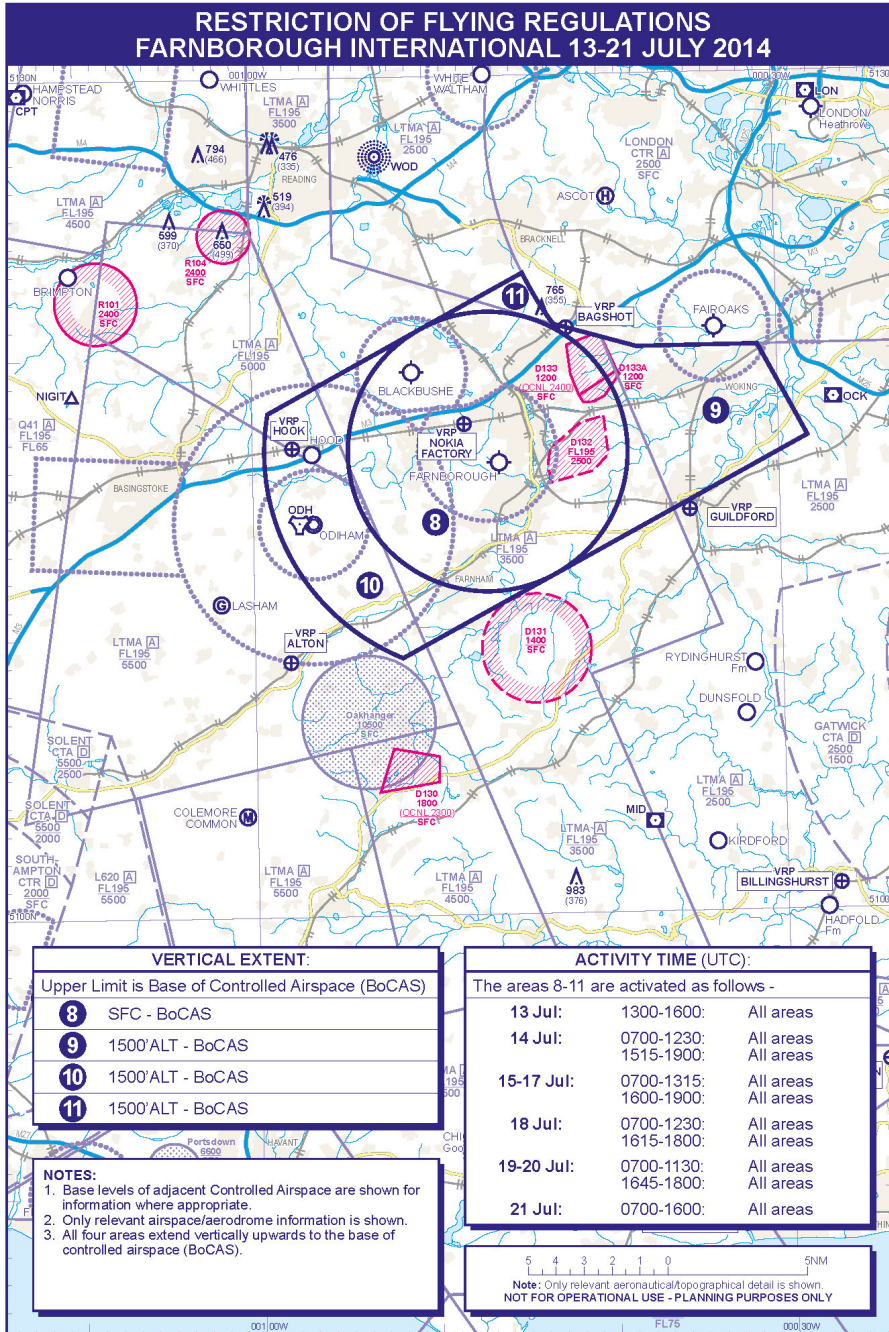

SCHEDULE 1

SCHEDULE 2

Regulation 2

SCHEDULE 2

2014/19 Farnborough Schedule 1&2 2014 - 07 FEB 2014

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations impose restrictions on flying in the airspace and at the times specified in regulation 3 and Schedules 1 and 2 to these Regulations during the rehearsals for, and the flying displays at, the biennial Farnborough Air Show organised by Farnborough International Limited during the period 7th to 21st July 2014.

The flying displays at Farnborough involve high speed flying and aerobatics by both British and foreign civil and military aircraft. To provide for the safety of these and other aircraft and for the safety of the large numbers of spectators on the ground, it is considered appropriate by the Civil Aviation Authority and Department for Transport that access to airspace in the vicinity of Farnborough be restricted during the period from 7th to 21st July 2014 while rehearsals, flying displays and the dispersal of aircraft are taking place.

Full details of the restricted airspace will be published in both an Aeronautical Information Circular and a NOTAM.

Further enquiries of the Civil Aviation Authority can be made to Mr R E J Gratton, Principal Airspace Regulator, Safety and Airspace Regulation Group, telephone 020 7453 6586.
