(2) Reference in these Regulations to a relevant security being entered into includes a relevant security being issued.

Relevant securities which are qualifying private placements

3.—(1) A relevant security which meets the debtor and listing conditions is a qualifying private placement if—

- (a) the conditions specified in regulation 4 are met;
- (b) subject to paragraph (2), the relevant debtor holds a creditor certificate for each creditor;
- (c) the relevant security was entered into by the relevant debtor for genuine commercial reasons, and not as part of a tax advantage scheme; and
- (d) the relevant debtor reasonably believes that the relevant debtor is not a connected person in respect of each creditor.

(2) Paragraph (1)(b) does not include a creditor certificate which is a cancelled or a withdrawn certificate.

(3) In this regulation—

- (a) “connected person” is to be determined in accordance with section 993 of ITA 2007 but any rights that a person has as a loan creditor are to be disregarded for the purposes of section 450(3)(d) of CTA 2010(3); and
- (b) “the debtor and listing conditions” are the conditions specified in paragraphs (a) and (b) of section 888A(2) of ITA 2007.

Conditions in relation to relevant securities

4.—(1) Conditions A and B are specified in relation to the relevant security.

(2) Condition A is that the term of the relevant security does not exceed 50 years.

(3) Condition B is that—

- (a) at the time the relevant security was entered into, it had a minimum value of £10 million; or

Creditor certificates

5.—(1) A “creditor certificate” means a written statement in which a confirmation is made by or on behalf of the creditor that conditions A and B are met in respect of the creditor.

(2) Condition A is that the creditor is a resident of a qualifying territory.

(3) Condition B is that the creditor is beneficially entitled to the interest on the relevant security for genuine commercial reasons, and not as part of a tax advantage scheme.

(4) For the purposes of condition A—

(2) 2010 c. 4. Section 1139 was amended by paragraph 48 of Schedule 19 to the Finance Act 2011 (c. 11) and paragraph 40 of Schedule 20 to the Finance Act 2012 (c. 14).

(b) C would not by virtue of section 167(5) of TIOPA be a resident of that territory,

C is to be treated as a resident of the qualifying territory.

Withdrawn certificates

6.—(1) This regulation applies to a creditor certificate other than a cancelled certificate.

(2) As soon as practicable after a creditor becomes aware that the confirmation given in a creditor certificate has ceased to apply, the creditor (or a person on the creditor’s behalf) must give a notification to the relevant debtor to that effect.

(3) Where a notification is given under paragraph (2), the creditor certificate is of no effect on and from the day after the date on which the notification is received.

(4) A creditor certificate which is of no effect further to this regulation is a “withdrawn certificate”.

Production of creditor certificates to HMRC and cancelled certificates

7.—(1) An officer of Her Majesty’s Revenue and Customs (“a relevant officer”) may by a notification given to a debtor (“D”), require D to produce a creditor certificate to the officer.

(2) A notification under paragraph (1) must—

(a) describe the certificate to be produced; and

(b) state the date (“the compliance date”) required for compliance (being a date not earlier than 28 days after the date on which the notification is given).

(3) D must by the compliance date produce the certificate to the relevant officer.

(4) Paragraph (5) applies where—

(a) D fails to comply with paragraph (3); or

(b) the relevant officer reasonably believes that a certificate produced by D is inaccurate in a material particular.

(5) Where this paragraph applies, the relevant officer may by a notification given to D determine that a creditor certificate identified in the notification has no effect.

(6) Where a notification is given under paragraph (5), the creditor certificate is of no effect on and from the date the notification is received by D.

(7) A creditor certificate which is of no effect further to this regulation is a “cancelled certificate”.
