EXPLANATORY NOTE

(This note is not part of the Order)

This Order, which extends to England, Wales and Scotland, prescribes the fees payable by the holder of a licence issued under section 2C of the Animals (Scientific Procedures) Act 1986. This Order increases the fixed element of the fee from £252 to £631 and the variable element from £226 to £242. Unlike the current fee regime there is no longer a different fee for breeding or keeping protected animals, for which the fee was £1,130.

A regulatory impact assessment of the effect that this instrument will have on the costs of business and the voluntary sector is available from the Home Office and is annexed to the Explanatory Memorandum which is available alongside the instrument on the OPSI website.
