“Private fund limited partnerships: actions by limited partners

6A.—(1) A limited partner in a private fund limited partnership is not to be regarded as taking part in the management of the partnership business for the purposes of section 6(1) merely because the limited partner takes any action listed in subsection (2).

(4) Nothing in this section—

- (a) limits the circumstances in which a limited partner in a private fund limited partnership is not to be regarded as taking part in the management of the partnership business; or

 - (9) If a limited partnership is designated as a private fund limited partnership at the same time as it is registered, the registrar may issue a combined certificate instead of issuing separate certificates under subsections (1) and (5), and that combined certificate—

NOTES

1. Changes brought about by death, by transfer of interests, by increase in the number of partners, or by change of name of any partner, must be notified here. In the case of an authorised partnership, any change in the general partner or in the name of the general partner must be notified here (no change in the limited partners or in the name of a limited partner is required to be notified).
2. If there is, or was, no definite term, then state against 'previous term' the conditions under which the partnership was constituted and against any 'new term' the conditions under which it is now constituted. 3. Any variation in the sum contributed by any limited partner must be stated in section g. A statement of any increase in the amount of the partnership capital, whether arising from increase of contributions, or from introduction of fresh partners must also be stated here. In the case of an authorised partnership, or a partnership which has been designated as a private fund limited partnership, no change in the sum contributed by a limited partner is required to be notified (except as mentioned below).

In the case of a private fund limited partnership that was registered as a limited partnership before 6 April 2017, you should show any withdrawal by a limited partner of the partner's contribution which has the effect that the amount of the partner's contribution is less than it was on the date on which the limited partnership was designated as a private fund limited partnership.

Provision is made in this form for notifying all the changes required by the Act to be notified, but it will frequently happen that only one change has to be notified. In any such case, the word 'Nil' should be inserted in the other sections. Sections e and f do not apply (and section g applies only in limited circumstances) to a limited partnership which has been designated as a private fund limited partnership.

The statement must be signed at the end by the firm, and sent by post or delivered to the Registrar of Companies for registration within seven days of the changes taking place.

EXPLANATORY NOTE

(This note is not part of the Order)

This Order enables a limited partnership which is a collective investment scheme to be designated as a private fund limited partnership (“PFLP”), and amends some of the provisions of the Limited Partnerships Act 1907 (c. 24) (“the Act”) as they apply to PFLPs and to partners in PFLPs.

Article 2 amends the Act. Paragraph (3) removes the requirement for limited partners to contribute capital to a PFLP. Paragraph (4) enables limited partners to appoint a person to wind up a PFLP if there is no other partner available to do so, and enables the partners to make an agreement as to winding up of a PFLP. Paragraph (5) inserts into the Act a list of actions which limited partners in a PFLP may take without being regarded as taking part in the management of the limited partnership and thus losing their limited liability status. This is not an exhaustive list of actions which do not amount to taking part in management, and it does not affect the position for other actions or other limited partnerships; neither does it give limited partners an entitlement to take actions in the list if they would not otherwise be permitted to do so within the terms of the partnership agreement. Paragraphs (6) to (9) deal with application for and designation of a partnership as a PFLP, and paragraphs (10) and (11) amend requirements to notify changes to a PFLP.

Article 3 amends the Financial Services and Markets Act 2000 (c. 8) such that a PFLP cannot also be a contractual scheme eligible for authorisation under Part 17 of that Act.

Article 4 and the Schedule make consequential amendments to the forms to be used for applications and notifications to the registrar.

Articles 5 and 6 make consequential amendments to the Collective Investment in Transferable Securities (Contractual Scheme) Regulations 2013 (S.I. 2013/1388) and the European Long-term Investment Funds Regulations 2015 (S.I. 2015/1882), both of which apply provisions of the Act with modifications.
