EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Education (Information About Children in Alternative Provision) (England) Regulations 2007 to prescribe for the supply of additional individual data items about children receiving education which is funded by the local authority outside mainstream schools, usually referred to as alternative provision.

Regulation 2 stipulates the additional items of individual information to be supplied by persons providing alternative provision.

The Secretary of State's published guidance online at <https://www.gov.uk/guidance/alternative-provision-census> regarding the collection of information from pupils in alternative provision will be amended to provide for these additional data items.

An impact assessment has not been produced for this instrument as it has no impact on businesses and civil society organisations. The instrument has a minimal impact on the public sector.
