---

(17) As inserted by section 202(2) of the Housing and Planning Act 2016.

(19) As amended by paragraph 3 of Schedule 18 to the Housing and Planning Act 2016.

- (b) any enhancement of the value of any interest in land by reason of any building erected, works executed or improvement or alteration made on relevant land,

if the tribunal is satisfied that the creation of the interest, the erection of the building, the execution of the works or the making of the improvement or alteration was not reasonably necessary and was undertaken with a view to obtaining compensation or increased compensation.

(2) In paragraph (1) “relevant land” means the land acquired from the person concerned or any other land with which that person is, or was at the time when the building was erected, the works executed or the improvement or alteration made, directly or indirectly concerned.

### **Set-off for enhancement in value of retained land**

- (a) any increase in the value of the land over which the new rights are required; and  
 (b) any increase in value of any contiguous or adjacent land belonging to that person in the same capacity,

which will accrue to that person by reason of the construction of the authorised works.

(3) The 1961 Act has effect, subject to paragraphs (1) and (2), as if this Order were a local enactment for the purposes of that Act.

### *Supplementary*

### **Acquisition of part of certain properties**

**13.**—(1) This article applies instead of section 8(1) **(20)** (other provisions as to divided land) of the 1965 Act (as applied by article 8 (application of Part 1 of the 1965 Act) in any case where—

- (a) a notice to treat is served on a person (“the owner”) under the 1965 Act (as so applied) in respect of land forming part only of a house, building or manufactory or part only of land consisting of a house with a park or garden (“the land subject to the notice to treat”); and  
 (b) a copy of this article is served on the owner with the notice to treat.

(2) In such a case, the owner may, within the period of 21 days beginning with the day on which the notice was served, serve on the Secretary of State a counter-notice objecting to the sale of the land subject to the notice to treat which states that the owner is willing and able to sell the whole (“the land subject to the counter-notice”).

(3) If no such counter-notice is served within that period, the owner must sell the land subject to the notice to treat.

(4) If such a counter-notice is served within that period, the question whether the owner must sell only the land subject to the notice to treat is, unless the Secretary of State agrees to take the land subject to the counter-notice, to be referred to the tribunal.

(5) If on such a reference the tribunal determine that the land subject to the notice to treat can be taken—

- (a) without material detriment to the remainder of the land subject to the counter-notice; or
- (b) where the land subject to the notice to treat forms part of the land consisting of a house with a park or garden, without material detriment to the remainder of the land subject to the counter-notice and without seriously affecting the amenity and convenience of the house,

the owner must sell the land subject to the notice to treat.

(6) If on such a reference the tribunal determine that only part of the land subject to the notice to treat can be taken—

- (a) without material detriment to the remainder of the land subject to the counter-notice; or
- (b) where the land subject to the notice to treat forms part of land consisting of a house with a park or garden, without material detriment to the remainder of the land subject to the counter-notice and without seriously affecting the amenity and convenience of the house,

the notice to treat is deemed to be a notice to treat for that part.

(7) If on such a reference the tribunal determine that—

- (a) the land subject to the notice to treat cannot be taken without material detriment to the remainder of the land subject to the counter-notice; but
- (b) the material detriment is confined to a part of the land subject to the counter-notice,

the notice to treat is deemed to be a notice to treat for the land to which the material detriment is confined in addition to the land already subject to the notice, whether or not the additional land is land which the Secretary of State is authorised to acquire compulsorily under this Order.

(8) If the Secretary of State agrees to take the land subject to the counter-notice, or if the tribunal determine that—

- (a) none of the land subject to the notice to treat can be taken without material detriment to the remainder of the land subject to the counter-notice or, as the case may be, without material detriment to the remainder of the land subject to the counter-notice and without seriously affecting the amenity and convenience of the house; and
- (b) the material detriment is not confined to a part of the land subject to the counter-notice,

the notice to treat is deemed to be a notice to treat for the land subject to the counter-notice whether or not the whole of that land is land which the Secretary of State is authorised to acquire compulsorily under this Order.

(9) In any case where by virtue of a determination by the tribunal under this article a notice to treat is deemed to be a notice to treat for less land or more land than that specified in the notice, the Secretary of State may, within the period of 6 weeks beginning with the day on which the determination is made, withdraw the notice to treat; and if it does so must pay the owner compensation for any loss or expense occasioned to the owner by the giving and withdrawal of the notice, to be determined in case of dispute by the tribunal.

(10) Where the owner is required under this article to sell part only of a house, building or manufactory or part only of land consisting of a house with a park or garden, the Secretary of State must pay the owner compensation for any loss sustained by him due to the severance of that part in addition to the value of the interest acquired.

### **Extinction of private rights of way**

**14.—(1)** Subject to the provisions of this article, all private rights of way over land subject to compulsory acquisition under this Order are extinguished—

- (a) as from the date of acquisition of the land by the Secretary of State, whether compulsorily or by agreement; or
- (b) on the date of entry on the land by the Secretary of State under section 11(1)(21) (powers of entry) of the 1965 Act,

whichever is the sooner.

(2) Subject to the provisions of this article, all private rights of way over land owned by the Secretary of State and required for the purposes of this Order are extinguished on the appropriation of the land for any of those purposes by the Secretary of State.

(3) Any person who suffers loss by the extinguishment of any private right of way under this article is entitled to compensation to be determined, in case of dispute, under Part 1 of the 1961 Act.

(4) Subject to section 13 of the principal Act, this article does not apply in relation to any right of way to which section 271 or 272(22) of the 1990 Act (extinguishment of rights of statutory undertakers etc.) applies.

(5) Paragraphs (1) to (3) have effect subject to—

- (a) any notice given by the Secretary of State before—
  - (i) the completion of the acquisition of the land;
  - (ii) the Secretary of State's appropriation of it; or
  - (iii) the Secretary of State's entry on to it,

provides that any or all of those paragraphs do not apply in relation to any right of way specified in the notice; and

- (b) any agreement made at any time between the Secretary of State and the person in or to whom the right of way in question is vested or belongs.

(6) If any agreement referred to in paragraph (6)(b)—

- (a) is made with a person in or to whom the right of way is vested or belongs; and
- (b) is expressed to have effect also for the benefit of those deriving title from or under that person,

it is effective in respect of the persons so deriving title, whether the title was derived before or after the making of the agreement.

### **Time limit for exercise of powers of acquisition**

**15.** After the end of the period of 5 years beginning with the day on which this Order comes into force—

- (a) no notice to treat is to be served under Part 1 of the 1965 Act as applied to the acquisition of land by article 8 (application of Part 1 of the 1965 Act); and
- (b) no declaration is to be executed under section 4 (execution of declaration) of the Compulsory Purchase (Vesting Declarations) Act 1981 as applied by article 9 (application of the Compulsory Purchase (Vesting Declarations) Act 1981)(23).

The enactments for the time being in force with respect to compensation for the compulsory purchase of land apply, with the necessary modifications as respects compensation in the case of a compulsory acquisition under this Order of a right by the creation of a new right and in the case of the imposition of a restrictive covenant, as they apply as respects compensation on the compulsory purchase of land and interests in land.

2.—(1) Without limitation on the scope of paragraph 1, the 1961 Act has effect subject to the modifications set out in sub-paragraph (2).

(2) For section 5A(5A) (relevant valuation date) of the 1961 Act substitute—

“(5A) If—

Order 2018 (“the 2018 Order”);
- (b) the acquiring authority is subsequently required by a determination under paragraph 12 of Schedule 2A to the 1965 Act (as substituted by paragraph 5(8) of Schedule 6 to the 2018 Order) to acquire an interest in the land; and
- (c) the acquiring authority enters on land and takes possession of that land, the authority is deemed for the purposes of subsection 3(a) to have entered on that land when it entered on that land for the purpose of exercising that right.”

3.—(1) Without limitation on the scope of paragraph 1, the Land Compensation Act 1973(27) has effect subject to the modifications set out in sub-paragraph (2).

(2) In section 44(1) (compensation for injurious affection), as it applies to compensation for injurious affection under section 7 (measure of compensation in case of severance) of the 1965 Act as substituted by paragraph 5(3)—

- (a) for the words “land is acquired or taken” substitute “a right or restrictive covenant over land is purchased from or imposed on”; and
- (b) for the words “acquired or taken from him” substitute “over which the right is exercisable or the restrictive covenant enforceable”.

*Application of Part 1 of the 1965 Act*

4. Part 1 (compulsory purchase under Acquisition of Land Act 1946) of the 1965 Act, as applied by article 8 (application of Part 1 of the 1965 Act) to the acquisition of land under article 7 (power to acquire land), applies to the compulsory acquisition of a right by the creation of a new right, or to the imposition of a restrictive covenant, under article 10(1), (2) or (3) (power to acquire new rights)—

- (a) the right acquired or to be acquired, or the restriction imposed or to be imposed; or
- (b) the land over which the right is or is to be exercisable, or the restriction is or is to be enforceable.

(3) For section 7 (measure of compensation in the case of severance) of the 1965 Act substitute—

“7. (4) The following provisions of the 1965 Act (which state the effect of a deed poll executed in various circumstances where there is no conveyance by persons with an interest in land), that is to say—

- (c) paragraph 2(3) of Schedule 2 (absent and untraced owners); and
- (d) paragraphs 2(3) and 7(2) of Schedule 4 (common land),

---

(27) 1973 c. 26.

(5) Section 11(28) (powers of entry) of the 1965 Act is modified so as to secure that, where the acquiring authority has served notice to treat in respect of any right or restriction, as well as the notice of entry required by subsection (1) of that section (as it applies to a compulsory acquisition under article 8(1)), it has power, exercisable in the equivalent circumstances and subject to the equivalent conditions, to enter for the purpose of exercising that right or enforcing that restriction; and sections 11A(29) (powers of entry: further notices of entry) and 11B(30) (counter-notice requiring possession to be taken on specified date), 12(31) (penalty for unauthorised entry) and 13(32) (entry on warrant in the event of obstruction) of the 1965 Act are modified correspondingly.

(6) Section 20(33) (protection for interests of tenants at will etc.) of the 1965 Act applies with the modifications necessary to secure that persons with such interests in land as are mentioned in that section are compensated in a manner corresponding to that in which they would be compensated on a compulsory acquisition under this Order of that land, but taking into account only the extent (if any) of such interference with such an interest as is actually caused, or is likely to be caused, by the exercise of the right or the enforcement of the restrictive covenant in question.

(7) Section 22 (interests omitted from purchase) of the 1965 Act (as modified by article 8(7)) is modified so as to enable the acquiring authority, in circumstances corresponding to those referred to in that section, to continue to be entitled to exercise the right acquired or to enforce the restrictive covenant imposed, subject to compliance with that section as respects compensation.

(8) For Schedule 2A to the 1965 Act substitute—
