EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Health Protection (Coronavirus, International Travel) (England) Regulations 2020 (S.I. 2020/568) (“the principal Regulations”) to—

- (a) remove Bonaire, Sint Eustatius and Saba, Poland, and Turkey from the list of exempt countries and territories, in Schedule A1 to the principal Regulations, from which passengers arriving in England are not required to self-isolate;
- (b) correct an error in Part 2 of Schedule 2 to the principal Regulations which relates to the exemption of certain persons from the requirement to self-isolate.

Passengers are not required to self-isolate on arrival in England if, during the 14 days preceding their arrival, they have only been in or transited through exempt countries or territories, or exempt parts of countries or territories. Passengers who have been in or transited through a non-exempt country or territory, or a non-exempt part of a country or territory, must self-isolate until 14 days have elapsed since the day after they last left a non-exempt country or territory, or a non-exempt part of a country or territory. The changes to Schedule A1 will not affect passengers who arrive in England before 4.00 a.m. on 3rd October 2020.
