*March 17 1982*

Sir:

I have the honor to refer to the Treaty of Peace between Egypt and Israel signed March 26, 1979, and to the enclosed Protocol between Egypt and Israel which provides for the establishment of a Multinational Force and Observers (MFO)<sup>(1)</sup>.

In accordance with the Protocol and with the agreement of the Parties, the Director General is to request those nations agreeable to the Parties to supply contingents to the MFO and to receive the agreement of troop contributing states that the contingents shall conduct themselves in accordance with the terms of the Protocol. Therefore, based on previous communications and discussions, I accept with appreciation the offer of the Government of the United Kingdom of Great Britain and Northern Ireland to provide to the MFO a headquarters company consisting of approximately 35 personnel as provided in Annex I to this letter. It is my understanding that it is the intention of the Government of the United Kingdom to maintain its participation in the MFO for a period of two years, which may be extended by mutual agreement.

As you are aware, the principles concerning the establishment, functions and responsibilities of the MFO are set out in the Protocol between Egypt and Israel. In accordance with paragraph 3 of the Annex to the Protocol, I would appreciate your confirmation that the British contingent shall conduct itself in accordance with the terms of the Protocol. Also, I would like to emphasize the importance of continuity of service of units in the MFO and to seek your agreement that the British unit will not be withdrawn without adequate prior notification to the Director General of the MFO.

I draw your attention as well to the Appendix to the Protocol, which stipulates the privileges and immunities of the MFO and the duties of members of the MFO. Of particular importance is paragraph 11 concerning criminal jurisdiction, and its subparagraph c, which directs the Director General to obtain the assurance of each troop contributing state that it shall be prepared to take the necessary measures to assure proper discipline of its personnel and to exercise jurisdiction with respect to any crime or offense which might be committed by its personnel.

---

(1) See page 9.

With regard to paragraph 42 of the Appendix to the Protocol, I assure you that I intend to act in accordance with the wishes of the troop contributing state concerning the disposition of the bodies of its members who die in the service of the MFO, and their personal property.

The financial arrangements between the MFO and the Government of the United Kingdom are set forth at Annex II to this letter.

My separate letter of today's date confirms my understanding with respect to various aspects of participation in the MFO.

The enclosed Aide Memoire<sup>(?)</sup> sets forth guidelines on procedures used by the MFO and is provided for the use of the Government of the United Kingdom in preparing and deploying its contingent for service in the MFO.

I have the honor to propose that this letter, including its attached annexes, and your reply confirming the agreement of your government to the terms thereof shall constitute an agreement between us which shall enter into force on the date of your reply.

I have the honor to convey to you the assurance of my high consideration.

Sincerely,

LEAMON R. HUNT

Multinational Force and  
Observers*

(7) It is understood that where supplementary arrangements are to be made, as provided in paragraph 43 of the Appendix, which substantially affect a national contingent, the Director General will first consult with the government of the affected participating state.

(8) It is understood that the Director General intends to establish a consultative mechanism whereby he will meet with representatives designated by troop-contributing states accredited to the country where his headquarters will be located for briefing and discussion of issues of general concern. In addition, the Director General and his staff will be available at any time to hold bilateral consultations with troop-contributing state representatives on substantive issues of mutual concern.

(9) It is understood that any disputes which may arise between a participating state and the MFO which cannot properly be resolved through normal administrative channels may be raised by either the MFO or the participating government for resolution at the diplomatic level between the Director General and the designated diplomatic representative of the participating government.

If the terms set out above are acceptable to the Government of the United Kingdom of Great Britain and Northern Ireland, I have the honor to suggest that this letter and your reply to that effect will place on record our understanding in this matter.
