EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations make provision, in relation to Wales, for the administration of Council Regulation (EC) No 1307/2013 (OJ No L 347, 20.12.2013, p 608), in relation to direct payments to farmers under support schemes of the Common Agricultural Policy.

They make arrangements for the Welsh Ministers to inform farmers of the provisional payment region classification of their field parcels for the purposes of claiming support under the basic payment scheme.

Regulation 3 provides that there are three regions in Wales for the purposes of the basic payment scheme and provides farmers with a mechanism to appeal a determination by the Welsh Ministers of a provisional payment region classification.

A Regulatory Impact Assessment of the effects of these Regulations on the costs of business, in relation to farm businesses in Wales, has been prepared in respect of these Regulations. Copies can be obtained from the Department of Sustainable Futures, Welsh Government, Cathays Park, Cardiff, CF10 3NQ.
