The Restrictions Regulations have been previously amended by:

- the Health Protection (Coronavirus, South Africa) (Wales) Regulations 2020 (S.I. 2020/1645) (W. 345).

The International Travel Regulations impose requirements on persons entering Wales after having been abroad. They include a requirement for persons arriving in Wales to isolate for a period determined in accordance with those Regulations.

The requirements imposed by the International Travel Regulations are subject to exceptions, and certain categories of person are exempt from having to comply.

Persons entering Wales after being in one or more of the countries and territories listed in Schedule 3 to the International Travel Regulations are not required to isolate. The countries and territories listed in Schedule 3 are referred to as “exempt countries and territories”.

Part 2 of these Regulations amends the list of exempt countries and territories. Regulation 2 amends the International Travel Regulations to remove the entries for the City of Jerusalem, Israel, Mauritius, the Republic of Botswana and Seychelles.

Regulation 3 of these Regulations makes transitional provision in connection with these countries’ and territories’ change of status. The transitional provision addresses a potential area of doubt in terms of the effect on the operation of the International Travel Regulations, of the amendments made by regulation 2 of these Regulations.

Part 3 of these Regulations amends Parts 3 and 3B of the International Travel Regulations and inserts a new Part 3C and Schedule 3A into those Regulations. Regulation 4 of these Regulations removes regulation 12C of the International Travel Regulations which imposes special rules on any person travelling from South Africa and members of that person's household. Regulation 5 makes saving provision in connection with the removal of regulation 12C of the International Travel Regulations. Regulation 6 removes regulation 12D in Part 3B of the International Travel Regulations.

Part 4 of these Regulations inserts new regulations 12E and 12F and a Schedule 3A into the International Travel Regulations. Regulation 7(1) inserts a new provision relating to additional measures for specified countries and territories into the International Travel Regulations as new regulation 12E. New regulation 12E is similar to the previous regulation 12C, but is not specific to South Africa. Instead, it imposes additional measure on countries and territories listed in new Schedule 3A. Regulation 12E provides that when a person has been in a specified country or territory in the last 10 days and arrives in Wales on or after 9 January 2021, they and members of their household are required to isolate. Further, the categories of exempt persons as detailed at Schedule 2 to the International Travel Regulations do not apply, and there are more limited circumstances in which a person may leave isolation. Regulation 7(1) also inserts a new Regulation 12F, which imposes restrictions on the arrival of aircraft and vessels arriving directly from a country listed in the new Schedule 3A.

Regulation 7(2) inserts new Schedule 3A into the International Travel Regulations which lists those specified countries and territories subject to the additional measures in regulations 12E and 12F of those Regulations. Regulation 7(2) lists the following countries and territories in Schedule 3A: Kingdom of Eswatini, the Kingdom of Lesotho, the Republic of Angola, the Republic of Botswana, the Republic of Malawi, the Republic of Mauritius, the Republic of Mozambique, the Republic of Namibia, the Republic of Seychelles, the Republic of Zambia, the Republic of Zimbabwe and Republic of South Africa.

Part 5 of these Regulations amends the Restrictions Regulations to—

- (a) impose more stringent isolation requirements on people who have been in one of 11 listed African countries within the period of 10 days prior to 4.00 a.m. on 9 January 2021 and on anyone in the same household as such people. These are countries where there is evidence of community spread of a new variant of coronavirus;

- (b) make a minor amendment to permit show homes to stay open in Alert Level 4 areas, although viewing a property in connection with a sale or let is permitted in Alert Level 4 areas only if it is reasonably necessary and there is no reasonably practicable alternative;
- (c) revoke the provisions relating to Christmas day which are now spent and make other minor amendments to regulations 38 and 57.

Part 6 of these Regulations makes a technical amendment to the Welsh language text of regulation 14(1)(c) in Part 4 of the International Travel Regulations.

The Welsh Ministers' Code of Practice on the carrying out of Regulatory Impact Assessments was considered in relation to these Regulations. As a result, a regulatory impact assessment has not been prepared as to the likely cost and benefit of complying with these Regulations.
